To: Honorable Board of Supervisors  
From: Edward N. Bonner, Sheriff Coroner-Marshall  
Date: May 3 2011  
Subject: Agreement between the Placer County Sheriff-Coroner-Marshall and Brasher's Sacramento Auto Auction

Action Requested
Approve the agreement between the Placer County Sheriff Coroner-Marshall and Brasher's Sacramento Auto Auction for the disposal of surplus vehicles and authorize the Purchasing Manager to execute the agreement and all related documents. The agreement period is from May 5, 2011 to May 4, 2013 for a cost of $210 per vehicle.

Background
Placer County Sheriff's Vehicle Maintenance Division worked with Fleet and Procurement staff to review and determine the best manner in which to dispose of leased vehicles. This is the first time leased vehicles will be disposed of through a surplus sale. Previously we have returned leased vehicles to the leasing company. Historically surplus vehicles and equipment have been disposed of utilizing our existing auction contract which has a wide range of auction items. For comparison purposes we will be sending our current surplus leased vehicles to both auctions to evaluate the services provided. Upon approval of your Board the process and sale will be under the supervision of the Purchasing Manager. These leased vehicles are of a higher quality and we expect to receive a greater return utilizing an auction that specializes in automobiles only.

Fiscal Impact
The auction costs consist of a $150 sales fee and a $60 transportation fee. The $210 costs per vehicle will be deducted from the sale price once the vehicle has been sold. The agreement will be in effect for the period beginning May 5, 2011 and ending May 4, 2013. There is no impact to the General Fund.
This Auction Services Agreement (the "Agreement") is entered into as of __________ between Placer County Sheriff Department ("Consignor"), and Brasher's Sacramento Auto Auction ("Auction") executing the form of individual auction agreement attached hereto as Exhibit "A" (the "Auction Agreement").

Recitals

A. Consignor desires from time to time to consign automobiles, light trucks, RVs, boats, motorcycles and other vehicles (individually, a "Vehicle", collectively, "Vehicles") designated by it, to Auction for sale at auction; and

B. Auction desires to receive, sell and otherwise provide certain services with respect to the Vehicles as more fully described in this Agreement and in the Auction Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties agree as follows:

1. Consignment.

Consignor shall furnish Vehicles to Auction on consignment in such mix and quantity and at such times as Consignor deems appropriate. Auction reserves the right to reject, in its sole discretion and with or without cause, any Vehicle. All Vehicles furnished to Auction shall be on consignment and no title or property rights shall be transferred until sold by Auction. The period of consignment of each such Vehicle shall begin at the time the Vehicle is delivered to the possession of Auction and shall end when either the Vehicle (i) is sold to purchaser by Auction, or (ii) possession of the Vehicle is returned by Auction to Consignor.

Auction shall provide storage space for Vehicles delivered to it by Consignor at no expense to Consignor until the Vehicles are sold by Auction or until possession of the Vehicles is returned to Consignor. Should Consignor for any reason fail to retake possession of any Vehicle following Auction's tender of possession of the Vehicle to Consignor, Consignor shall be responsible for Auction's regular storage fees until such time as Consignor retakes possession. Consignor shall promptly retake possession of any Vehicle for which Auction tenders return of possession.

2. Certificate of Title and Registration.

Consignor will forward to Auction the certificate of title and/or registration for the Vehicles, together with any other documents in possession of
Consignor necessary to effect transfer upon sale, prior to the sale date for the Vehicles. Unless Auction has a valid power of attorney to act on behalf of Consignor, in which case Auction is specifically authorized to exercise such power of attorney by executing and endorsing such documents as may be necessary or convenient to effect transfer upon sale, and if the Consignor's representative will not be attending the sale, all documents necessary to effect transfer upon sale shall be endorsed as required prior to their being forwarded to Auction prior to the sale date. If the Consignor's representative does attend the sale, endorsement of documents necessary to effect transfer upon sale may be accomplished by the representative on the day of the sale. Consignor agrees to provide a completed Federal Odometer Disclosure Statement. Auction will not deliver, endorse or otherwise give up possession of such documents, except to the purchaser of the Vehicle after sale and receipt of payment in accordance with the terms of this Agreement.

3. Covenants of Auction.

During the term of this Agreement and until all obligations of Auction to the Consignor have been fulfilled, Auction shall:

A. Be responsible for the marketing, merchandising and sale of Vehicles in accordance with this Agreement. Auction agrees to use its commercially reasonable best efforts to sell every Vehicle consigned pursuant to this Agreement.

B. Not use any Vehicle or permit its use by any of Auction's employees, agents, or any other person (other than Client or its officers, employees and agents) except in the furtherance of its obligations under this Agreement.

C. Not sell, mortgage, pledge, subject to a lien or security interest, or attempt to do any of the foregoing or otherwise encumber or convey or transfer any interest in any Vehicle except as permitted under this Agreement.

D. Not file theft or conversion complaints with the authorities on a Vehicle prior to giving Consignor written notice that such Vehicle has been stolen, converted, is missing, or is otherwise unaccounted for and shall complete such reports as are reasonably requested by Consignor.

E. Comply with all laws, regulations and ordinances of any governmental authority having jurisdiction with respect to this Agreement, and shall obtain and maintain any and all material permits, licenses, approvals and consents necessary for the lawful conduct of the activities contemplated under this Agreement.
F. Repair at Auction's sole cost and expense any damage to Vehicles, including without limitation the replacement of lost or damaged parts, which occurs while in the Vehicle is in the control of Auction, its agents or employees, except for those resulting from war, riot, natural disaster and other acts of God.

G. Upon receipt of Vehicle, Auction shall provide Consignor with a vehicle condition report for each Vehicle. Auction shall have the responsibility of illustrating the imperfections of each Vehicle on the condition report, along with making recommendations as to the repairs that should be performed on each Vehicle. Auction shall use its commercially reasonable best efforts to determine such imperfections; however Auction does not warrant or guarantee that all such imperfections shall be indicated on the condition report. Auction shall not have the authority to perform any repair work without the approval of the Consignor.

A. A sale shall be complete when the Auction so announces by the fall of the hammer, or in the case of an auction conducted by Internet, when a final bid has been accepted by Auction. The Auction shall withdraw a Vehicle from the sale if: (a) the authorized Consignor representative withholds approval of the pending bid; or (b) no bid exceeds the minimum price communicated by Consignor to the Auction as acceptable. Within three (3) business days following the date of the sale, Auction shall remit to Consignor its check or checks for the full net amount owing to Consignor along with an itemization of Vehicles sold by identification number and sale prices. Auction shall be responsible for all collection matters relating to the sale of consigned Vehicles, and shall guarantee payment to Consignor. All charges and fees due Auction shall be deducted from the sales proceeds, whether or not such charges and fees are directly related to the actual Vehicles sold. In the event a Vehicle is returned to Consignor or is delivered to another location at the request of Consignor, Auction shall invoice the Consignor for the total amount of fees and charges payable by Consignor pursuant to this Agreement for such Vehicle. Consignor shall pay Auction such invoiced amount within thirty (30) days from the date of the invoice.

B. Consignor agrees to pay Auction fees and charges in accordance with the Auction Agreement applicable to Auction. Auction shall notify Consignor in writing of any changes in the fees and charges at least thirty (30) days prior to the effective date of any such
change. If Consignor fails to notify Auction in writing of its objection to the changes in fees and charges within sixty (60) days of Auction's notification of Consignor of the same, Consignor shall be deemed to have consented to and agreed to pay the revised fees and charges.

C. Consignor agrees to cooperate with Auction before, during and after the sale of a Vehicle to ensure that title to such Vehicle passes to its purchaser. Consignor's obligation shall include without limitation the execution of such documents, including corrective documents, as may be necessary or convenient to the accomplishment of the transfer of title.
