

**MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors
FROM: Jim Boggan, Purchasing Manager *JB*
DATE: February 22, 2011
SUBJECT: Approve the Award of Competitive Request for Qualifications No. 10017 for Professional Consulting Services for Public Works Projects in Eastern Placer County and Adopt Four Lists of Qualified Firms

ACTION REQUESTED

Approve the award of competitive Request for Qualifications (RFQ) No. 10017 for professional consulting services for public works projects in Eastern Placer County and adopt four lists of qualified firms for various categories of public works projects, effective for a three-year period.

BACKGROUND

On behalf of the Department of Public Works (DPW)-Tahoe Engineering Division, the Procurement Services Division requested sealed Statements of Qualifications (SOQ) from two hundred fifteen firms and posted RFQ 10017 on the County's website to establish a list of qualified contractors for various public works projects throughout Eastern Placer County. These services will be requested on an as-needed basis by DPW. Formal responses were received from fifty-four firms.

An evaluation panel rated the responses in accordance with the evaluation criteria contained in the RFQ. Attachments A through D show the panel's individual and collective scores for each discipline stated in the RFQ. The final rankings are the result of the panel's consensus after discussion, and are based on a natural break occurring between the overall scores of the ranked firms. The scores shown are based strictly on the requirements and criteria of RFQ 10017 and do not in any way reflect the County's judgment of the responding firms capabilities to perform work outside of this specific RFQ.

The firms selected for the lists are as follows:

Category 4.1 – Civil Engineering Design:

Stantec, Reno, NV;
Entrix, South Lake Tahoe, CA;

FISCAL IMPACT

There is no immediate fiscal impact resulting from this action. Individual contracts will be negotiated with one or more firms as needed, and the resulting expenditures will be funded from existing budgets or project funds, as appropriate. Contracts of \$50,000.00 or less may be executed by the Purchasing Manager. Contracts greater than \$50,000.00 will require your Board's approval.
