

**MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors
FROM: Jim Boggan, Purchasing Manager *JB*
DATE: February 22, 2011
SUBJECT: Approve a Three-Month Extension of a Competitively-Awarded Qualified List for Preparation of Environmental Impact Reports

ACTION REQUESTED

Approve a three-month extension of a list of qualified firms for preparation of environmental impact reports (EIR) resulting from competitive Request for Qualifications (RFQ) No. 9749.

BACKGROUND

On February 26, 2008, your Board approved a list of qualified firms that was developed from responses to a formal RFQ process for preparation of EIRs and other related environmental documents for private and public projects in Placer County. The Placer County Environmental Review Ordinance requires that EIRs prepared for private and public projects must be prepared by consultants under contract to Placer County. This provision is mandatory for all projects. These services are requested on an as-needed basis primarily by the Community Development Resource Agency (CDRA).

The Qualified List expires on February 25, 2011. CDRA has requested to extend the list for an additional three-month period to allow time for an RFQ process to establish a new list. With your Board's approval, the qualified list will be extended through May 31, 2011.

The list of qualified firms to be extended is attached.

FISCAL IMPACT

There is no immediate fiscal impact resulting from this recommendation. The departments will contract with a selected firm as required and the resulting expenditures will be funded from their existing budgets or project funds, as appropriate. Contracts of \$50,000.00 or less may be executed by the Purchasing Manager. Contracts of more than \$50,000.00 will require your Board's approval.
