BACKGROUND

The Board of Supervisors is being asked to approve appropriations to the Keaton’s Child Cancer Alliance Glow for Gold Gala. Keaton’s Child Cancer Alliance supports children with cancer and their families by increasing awareness and funding research towards a cure. Their mission is to help families cope with the emotional and financial impacts experienced following their child’s cancer diagnosis. The goal of the Glow for Gold Gala is to raise funds for the Family Navigator Program. This program helps link families to much-needed resources such as counseling, help navigating complex health care systems, and partnering with the community to provide transportation cost assistance and food cards. The funding received will increase the amount of funding allocated to the Navigator Program by helping to defray the cost of this annual event.

FISCAL IMPACT

Funding is available in the FY 2018-19 Budget (Revenue Sharing)
