What is Open Enrollment?

Open Enrollment is a once-a-year opportunity for benefit-eligible employees to enroll in or make changes to their health plan elections in Workday. For the 2020 plan year, Open Enrollment runs from September 9, 2019 through October 4, 2019. Any elections made during Open Enrollment will go into effect January 1, 2020. Open Enrollment is the only time each year that employees can change their health benefit elections unless they experience a [qualifying life event](#) (such as marriage or the birth of a child).

What Can You Do During Open Enrollment?

- Enroll in or change your medical, dental, and/or vision coverage
- Add or remove [qualified dependents](#), including a spouse or state-registered domestic partner, to/from your health plans
- Waive your medical coverage if you are covered by another qualifying group medical plan
- Enroll or re-enroll in optional pre-tax savings programs such as a Dependent Care and/or Medical Reimbursement Flexible Spending Account (FSA)
 - Per IRS policy, re-enrollment is required each year during Open Enrollment if you wish to contribute to these plans

The County of Placer contracts with CalPERS for its health plans. Information regarding the 2020 Health Plans can be viewed by clicking [HERE](#) and Public Agency plan eligibility based on zip code by clicking [HERE](#).

Do I Need to Make Changes During Open Enrollment?

In most cases, participation in Open Enrollment is optional. If you are satisfied with your current health plan elections, you do not need to make changes since your elections are considered “evergreen elections” and the IRS allows for them to roll over to the new plan year unless you elect to opt out and decline coverage.

However, you are **required** to select contribution rates and submit any required forms during Open Enrollment if you wish to continue your Dependent Care (All groups) and/or Medical Reimbursement (Management & Confidential Only) Flexible Spending Account (FSA) coverage. If you are currently enrolled in a [Medical Flexible Spending Account \(FSA\) or Dependent Care Flexible Spending Account](#), you must re-enroll every year during Open Enrollment in order to continue participation in the following year.

Preparing for Open Enrollment

New this year will be reviewing and selecting your benefit elections through Workday. If you wish to make changes to your health plan during Open Enrollment, the following simple steps will enable you to prepare ahead of time to make your experience a positive one.

1. **Verify your address in Workday:** The benefit options you are offered are based on your home address, specifically your zip code. Make sure your address is current so that you are offered the correct benefit plan options. Refer to the “Edit Home Contact Information” section of the [Edit Personal Information](#) User Guide for step-by-step guidance.
2. **Prepare your dependent verification:** If you are planning to add any dependents (including your spouse or State Registered Domestic Partner) to your medical, dental, and/or vision plans, you must submit valid dependent verification within Workday. Please review the list of items that qualify as [valid dependent verification documentation](#). We strongly recommend scanning the document(s) you plan to attach and saving it to a secure computer **before** September 9, 2019.
3. **Attend one of the County’s Benefits Fairs:** Speak with Human Resources Department staff and insurance plan providers at the primary benefit fair at the Placer County Animal Shelter in Auburn on **September 26 from 12PM to 2PM** to learn more about your benefit options. Human Resources staff will also be available from 10AM to 2PM at the Tahoe Government Center on September 12 and the Rocklin Sunset Office on September 25 to assist with any Open Enrollment questions.
4. **Contact insurance plan providers directly with any questions:** If you have questions about networks, what each plan covers, and other benefit details, you can reach out to the providers ahead of time to determine what plan is right for you and/or your family. Click [HERE](#) to compare plan options and providers.

How to Make Changes During Open Enrollment in

Beginning September 9, 2019, you may make changes to your current elections by logging into [Workday](#), selecting the **Inbox**, then selecting **Open Enrollment Change**.

If you choose to submit changes during Open Enrollment, you will be able to review your elections and submit additional Open Enrollment changes from **September 9 through 11:59 pm on October 4, 2019**. Your most recent selections in Workday will be the ones processed to become effective on January 1, 2020.

Traditional HMO plans generally pay 100% of the cost of care after a co-payment, but require you to use in-network providers (physician or hospital), and have your care coordinated through a designated Primary Care Physician. Except in the case of emergencies, coverage is not provided for non-network providers or for services not authorized by the plan.

Traditional PPO plans generally pay a percentage of the cost of care after a co-pay and deductible; the remaining amount is paid by the participant. The services of in-network providers are paid at a higher percentage than the service of out-of-network providers. Generally PPO plans offer more flexibility on provider choice, services, and the ability to self-refer to a specialist. Because of the higher cost of using providers out of network, the premium cost may be higher.

HMO and PPO Plans:

Rates and services are associated with your residence zip code or the Employer zip code. For a list of plans available by zip code, click [HERE](#). If you choose to use the Employer's zip code for eligibility click [HERE](#) for the required CalPERS Health Benefits Plan Enrollment Form (HBD-12), which must be submitted to the Placer County Human Resources Department.

Premiums are paid over 24 pay periods. Please refer to the payroll calendar contained in this booklet to determine non-premium pay dates. Part-Time employees: In addition to the employee premium, part-time employees are responsible for a percentage of the employer premium based on the following: 20 to 20.99 weekly hours 50%, and 21 to 31.99 weekly hours 25% of the employer premium. The County pays 100% of the employer premium for weekly part-time hours 32 and over.

Health Plans are available based on the employee's home or work location zip codes and may be limited in rural areas such as the Tahoe Area.

In Lieu of Health (ILH) Plan

Placer County provides its employees with health insurance coverage through the CalPERS Health Insurance Program. Employees who possess other group health plan coverage or other creditable coverage may elect to opt out of the County health plan coverage and receive an In-Lieu of Health payment contributed to their 401(k) on their behalf. Employees opting out of the County's provided plan coverage must provide evidence to Human Resources of other coverage.

401(k) contribution In Lieu of Health amounts for 2020:

Deputy Sheriff Association (DSA):	\$140/per pay period

Cafeteria Plan (IRS Section 125)

A Cafeteria Plan is a reimbursement plan governed by IRS Section 125 which allows employees to contribute a specific amount of their gross income to a designated account or accounts on a pre-tax basis.

Employer Cafeteria Plan Calendar Year Contribution by Employee Group¹

- PPEO Miscellaneous Members – Receive a 6% bi-weekly contribution of the employee's base salary plus longevity
- PPEO Safety Members – Receive a 5% bi-weekly contribution of the employee's base salary plus longevity
- Management – Receives bi-weekly contribution of \$153.85
- Confidential – Receives bi-weekly contribution of \$110.00
- DSA – No employer contribution is received

¹ Percentage contributions are prorated based on actual paid hours. Changes to the plan are made annually during open enrollment or if there is a qualifying life event. Cafeteria contributions are non-PERSable income. Placer County Benefit Plans operate under the IRS Code Section 125 option which allows employees to enroll and pay their share of costs with pre-tax dollars, known as "Premium Conversion." The health, dental, vision, and accidental death and dismemberment (AD&D) premiums are included in the Premium Conversion option. Under IRS rules, enrollment and changes to your benefit plans must be made during Open Enrollment unless there is a qualifying life event.

Placer County offers the following cafeteria plan choices:

Employees may elect to receive the cafeteria plan amount as a cash option, a 401(k) contribution, dependent care reimbursement or any combination thereof. Management and Confidential employees may also elect to receive medical reimbursement.

Cash Option – Selecting the cash option will allow you to receive the Cafeteria Plan money in your bi-weekly paycheck. This option is considered taxable income and associated payroll taxes will be deducted. If no other choice is made for cafeteria plan funds, the distribution will default to this option.

401(k) – Deferred compensation plans are offered to allow employees to set aside money for retirement on a pre or post-tax basis. You may designate a percentage of your cafeteria plan funds for this option.

FSA Dependent Care Reimbursement – This option allows you to pay for your dependent care expenses using pre-tax dollars. Expenses, whether for a child or an adult, include any expense that allows you to work outside the home, including daycare services, in-home care, preschool and summer day camps. It does not cover health related expenses.

FSA Medical Reimbursement (Management/Confidential only) – This option allows you to pay for out-of-pocket medical expenses using pre-tax dollars.

Dependent Care Flexible Spending Account (FSA)

Important!

You must enroll each year in the Dependent Care FSA by selecting a contribution amount in Workday during the annual Open Enrollment period and submitting any required forms.

401(k) & 457 Deferred Compensation

Placer County offers voluntary deferred compensation programs through Lincoln Financial Group. We offer both pretax and Roth after-tax contributions. The traditional pretax contributions provide an income tax break right away while Roth contributions provide tax advantages later.

Pretax contribution options may be right for you if:

- You expect your income taxes to be lower in retirement; you may save by lowering your taxable income now and waiting to pay taxes on your savings until after you retire
- You aren't well-prepared for retirement; saving on a pretax basis allows you to save in your plan while enjoying current tax savings

Roth contribution options may be right for you if:

- You expect your taxes to be higher in retirement; you may save by paying a lower tax rate on your savings today
- You have many years to build your savings; you'll pay income taxes on what you contribute today, but you may not pay income taxes on the earnings, which can add up over your working years
- Visit [IRS.gov](https://www.irs.gov) for more information about Roth contributions

2020 Plan Year

Minimum Contribution of \$10 per pay period

Maximum Contribution of \$19,500 per year

Note: If you are over age 50, you can contribute an additional "catch-up" amount of \$6,500 to your 401(k) and 457 plans, for a total contribution of \$26,000 per plan. (Your maximum limit is automatically adjusted during the year you turn 50 – no forms are required.) IRS limits are subject to change each year.

Please remember that if you participate in a cafeteria plan where you designate funds to a 401(k) or receive an In Lieu of Health contribution, these funds will be placed in your 401(k) account along with any personal contributions you make.

Medicare Part D Notice

Important Notice from County of Placer About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with County of Placer and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. County of Placer has determined that the prescription drug coverage offered by the CalPERS is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your County of Placer coverage **will not** be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

Since the existing prescription drug coverage under County of Placer is creditable (e.g., as good as Medicare coverage), you can retain your existing prescription drug coverage and choose not to enroll in a Part D plan; or you can enroll in a Part D plan as a supplement to, or in lieu of, your existing prescription drug coverage.

CMS Form 10182-CC Updated April 1, 2011 According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0990. The time required to complete this information collection is estimated to average 8 hours per response initially, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

If you do decide to join a Medicare drug plan and drop your County of Placer prescription drug coverage, be aware that you and your dependents can only get this coverage back at open enrollment or if you experience an event that gives rise to a HIPAA Special Enrollment Right.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with County of Placer and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months

without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the County of Placer Human Resources Department for further information at (530) 889-4060. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through County of Placer changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 800-MEDICARE (800-633-4227). TTY users should call 877-486-2048.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Protheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, please contact your health plan's member services for more information.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator.

HIPAA Notice of Special Enrollment Rights

If you decline enrollment in County of Placer's health plan for you or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in County of Placer's health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within 60 days after the loss of other coverage.
- Gain a new dependent as a result of marriage, birth, adoption, or placement for adoption. You must request health plan enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.
- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible. You must request medical plan enrollment within 60 days after the loss of such coverage.

If you request a change due to a special enrollment event within the 30 day timeframe, coverage will be effective the date of birth, adoption or placement for adoption. For all other events, coverage will be effective the first of the month following your request for enrollment. In addition, you may enroll in County of Placer's health plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan.

Availability of Privacy Practices Notice

We maintain the HIPAA Notice of Privacy Practices for County of Placer describing how health information about you may be used and disclosed. You may obtain a copy of the Notice of Privacy Practices by contacting County of Placer's Human Resources Department at (530) 889-4060 or by mail at 145 Fulweiler Avenue, Suite 200, Auburn, CA 95603.

Notice of Choice of Providers

The health plans offered by County of Placer through CalPERS generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact your insurance carrier directly.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from health plans offered by County of Placer through CalPERS or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your insurance carrier directly.

Michelle's Law

The CalPERS Health plans may extend medical coverage for dependent children if they lose eligibility for coverage because of a medically necessary leave of absence from school. Coverage may continue for up to a year, unless your child's eligibility would end earlier for another reason.

Extended coverage is available if a child's leave of absence from school — or change in school enrollment status (for example, switching from full-time to part-time status) — starts while the child has a serious illness or injury, is medically necessary and otherwise causes eligibility for student coverage under the plan to end. Written certification from the child's physician stating that the child suffers from a serious illness or injury and the leave of absence is medically necessary may be required.

If your child will lose eligibility for coverage because of a medically necessary leave of absence from school and you want his or her coverage to be extended, notify Human Resources Department in writing as soon as the need for the leave is recognized. In addition, contact your child's health plan to see if any state laws requiring extended coverage may apply to his or her benefits.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid

or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility –
