TO: Honorable Board of Supervisors

FROM: Richard J. Burton, M.D., M.P.H.
Placer County Health Officer and Director of Health and Human Services
Dr. Michael P. Mulligan, Assistant Health Officer

DATE: December 19, 2006

SUBJECT: Community Challenge Sub-Grant

ACTION REQUESTED:

Approve the agreement with Placer County Office of Education for the FY 2006/07 Community Challenge Sub-Grant in the amount of \$113,620, and any subsequent amendments.

BACKGROUND:

The Community Challenge Grant (CCG) Program was legislatively enacted in 1996 as part of the Governor's Initiative, Partnership for Responsible Parenting. Challenge Grants promote community-based partnerships aimed at reducing unwed and teen pregnancies. The California Department of Health Services funds these youth development programs. CCG is a collaborative effort with nine Placer County collaborators receiving sub-grants from the Placer County Office of Education (PCOE), as lead agency. The local program targets youth ages 12-19 residing in Auburn, Lincoln, North Tahoe/Kings Beach, and central Roseville. Youth are identified through the education system, Health and Human Services programs, court, community schools and local community-based programs. PCOE provides CCG funding to Health and Human Services for a part-time community specialist (Client Services Counselor) and a part-time program health educator. Contract documents were received from PCOE for the current contract period in mid-November.

FISCAL IMPACT:

The grant funds have been budgeted in the Community Health budget for FY 2006-07 and are used for personnel costs, operating expenses, transportation, travel, and training. PCOE, as the lead agency for the grant, provides the required non-governmental match through in-kind contributions from other collaborators. No County general fund contribution is required.
