ACTION REQUESTED

Approve appropriation in the amount of \$250 in Revenue Sharing monies to the Auburn Community Concert Associations 61st annual Concert Season as requested by Supervisor Gaines.

BACKGROUND/COMMUNITY BENEFITS: In approving the following contributions, the Placer County Board of Supervisors finds that each and every approved contribution serves a public purpose by promoting the general welfare of the County and its inhabitants, therefore benefit results to the county.

The Auburn Community Concert Association (ACCA) is a non-profit, all volunteer music education/cultural enhancement program. The ACCA provides high-quality musical performances to families in this area with a series of concerts each year. The funds designated towards this program help support the costs to provide this popular program. The nationally-recognized musical artists they bring to the community are able to conduct educational programs and/or master's classes for area school students. The goal of the ACCA is to bring high-quality cultural experiences to our rural community and to introduce young people to the various forms that music can take.

FISCAL IMPACT

SUBJECT:

REQUEST FOR REVENUE SHARING DONATION

Dear Supervisor Holmes:

As a long-time resident of the greater Auburn area and President of the Auburn Community Concert Association (ACCA), I wish to thank the Board of Supervisors for its past support of our non-profit, all volunteer music education/cultural enhancement programs. The ACCA is the longest-lived community service programs in Auburn; it began its service to the greater Auburn area more than 60 years ago. The ACCA provides high-quality musical performances to families in this area with a series of concerts each year. Frequently, the nationally-recognized musical artists that we bring to the community are able to conduct educational programs and/or master's classes for area school students in order to promote classical and other forms of traditional music. The goal of the ACCA is to bring high-quality cultural experiences to our rural community at very affordable prices and to introduce to young people to the various forms that music can take.

Over the years, the ACCA has often had the financial assistance of the business community and various individuals in providing these excellent, family-oriented programs. The Board of Supervisors participated in this worthwhile community service program last year as a Benefactor (\$750). My reason for writing is to request your support, as the elected representative of District 3, for the ACCA's upcoming 61st concert season. Contributors in the top category are recognized not only in the initial concert program, but also in each performance program for the rest of the season. Please consider this letter as an invitation to participate in the ACCA programs at the Sponsor level (\$1,000 and above) this year. It is an opportunity for you to assist residents of District 3 by allowing the Board of Supervisors to be a partner in the cultural enhancement of the greater Auburn area.

You may feel free to contact me at the above address or at (530) 878-7236 if you have any questions about ACCA or our musical programs.

Dan
