Honorable Members of Placer County Board of Supervisors:

I would like to thank you for giving us this opportunity to highlight our programs available to counties.

As you may know, the CSAC Finance Corporation was formed in 1986 to offer municipal finance services to counties and to private entities that provide significant public benefit to the residents of counties.

The Finance Corporation oversees numerous programs, which have been summarized in the folder enclosed. We encourage you to review the materials and please let us know if you have any questions or see anything that might be of interest to Placer County.

Again, we thank you for this opportunity and hope that the information is of value to you and your county.

Respectfully,
