

**MEMORANDUM
COUNTY OF PLACER
ADMINISTRATIVE SERVICES DEPARTMENT
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors 
FROM: David Seward, Purchasing Manager
DATE: July 11, 2006
SUBJECT: Recommendation to Approve the Award of Bid No. 9585 to Gray Electric
in the Maximum Amount of \$75,000.00 for Traffic Signal Maintenance.

ACTION REQUESTED

Approve the award of Bid No. 9585 to Gray Electric of Grass Valley for Traffic Signal Maintenance in the maximum amount of \$75,000.00, and authorize the Purchasing Manager to sign the resulting Blanket Purchase Order (BPO).

BACKGROUND

Procurement solicited bids from nineteen firms and advertised on the County's website on behalf of Public Works and the City of Auburn. Two firms responded with complete bids. The bid document requested pricing for various costs associated with maintaining and replacing components in the County's and the City of Auburn's traffic signal light systems. Attachment A provides a complete evaluation of the bids received. The lowest responsive bid was submitted by Gray Electric. They are the current contractor for this service. DPW indicates that service has always been good with this firm. The BPO resulting from this recommendation will be strictly for the County. The City of Auburn will be responsible for setting up their own BPO with Gray Electric.

FISCAL IMPACT

The Blanket Purchase Order resulting from this recommendation will total \$75,000.00 and will be effective from July 1, 2006 through June 30, 2007. There is sufficient funding in DPW's budget for these expenditures.
