Help plan the future of transit in western Placer County

PCTPA invites you to participate in a public hearing to provide input on DRAFT Short Range Transit Plans (SRTPs).

Join PCTPA on **Wednesday, June 27 at 9:00 a.m.** for a public hearing in the Placer County Board of Supervisors Chambers located at 175 Fulweiler Avenue in Auburn. PCTPA is updating SRTPs for the region's transit operators:

- Auburn Transit
- Placer County Transit
- Roseville Transit
- Western Placer Consolidated Transportation Services Agency

A SRTP is a planning document that presents the steps each local transit operator will take over the next seven years (2018-2025) to improve services and address operational and capital infrastructure, fare adjustments, institutional needs, and identify the revenues required to accomplish plan recommendations for the local fixed route transit system, commuter services and paratransit services.

The comment period will be from June 15 through July 15.
