DATE:

SUBJECT:

Contract with the Public Health Institute to Administer Nutrition Education Grant

# **ACTION REQUESTED:**

- 1. Approve a contract with the Public Health Institute to develop and conduct the GetFresh Project nutritional education program, for the period of October 1, 2015 through September 30, 2017, in the amount of \$371,145, and authorize the Director of Health and Human Services to sign the contract and subsequent amendments up to 10 percent of the contract amount consistent with the agreement's subject matter and scope of work.
- 2. Approve a budget revision to increase revenues and expenditures by \$136,759 for FY 2015-16.

### **BACKGROUND:**

On March 4, 2015, Placer County Health and Human Services submitted a successful application for a federal grant, administered by the California Department of Social Services, for a nutrition education program to be administered by the Placer County Human Services Division, through a contractor, Public Health Institute.

Public Health Institute has had a long history of success in partnering with the California Department of Public Health to develop the nutrition education program in California, which is recognized by the federal Food and Nutrition Services (FNS) as the premier program in the country. Given their acknowledged expertise as a leader in this field, this partnership helped ensure the County's successful bid.

As this funding is awarded on the Federal Fiscal year, the final approval by FNS is not received until October 1 of each year. This funding is for a two-year period over two federal fiscal years as will the resulting contract, if approved by the Board.

#### FISCAL IMPACT:

A FY 2015-16 budget revision has been included to increase expenditures and revenues by \$136,759. The remaining FY 2016-18 expenditures will be included in the Requested Budgets. Funding is fully provided by Federal funds. No County General fund contribution is required.
