Subject: Samir Tuma/Kila Properties public comment at TCPUD mtg on TC Lodge/ golf Course club house January 2 2018

To the Board of Supervisors and please forward to new CEO.

I am submitting the following video for your viewing to frame my comment on providing Kila Properties 60 TAUs from the Placer County pool. In light of the disputes about the TC Golf Course clubhouse I propose you delay your decision to award TAU's until such time that the clubhouse as well as the disputed easement issues are resolved.

WHY tie up valuable County assets that could be applied for by others when there is uncertainty that the project will commence this building season?

Additional comments will be provided at the public hearing.

Sincerely, Ellie Waller Tahoe Vista Resident and Member of the Norht Tahoe West Area Plan Citizen Advisory Team

Please accept the following comments in regards to agenda item 9:10 a.m. 4. COUNTY EXECUTIVE
