

MEMORANDUM
Office of Jenine Windeshausen
Treasurer-Tax Collector
County of Placer

TO: Honorable Board of Supervisors
FROM: Jenine Windeshausen, Treasurer-Tax Collector
DATE: June 13, 2006
SUBJECT: Discharge of Accountability for Unsecured Taxes

ACTION REQUESTED:

Authorize a discharge of accountability for unsecured property taxes in accordance with the provisions of section 2923 of the California Revenue and Taxation code.

BACKGROUND:

This discharge of accountability is requested for certain unsecured delinquent tax accounts from the assessment years 1996 through 2000. The aggregate sum of taxes and penalties is approximately \$246,000.00. The age of these accounts makes collection impracticable in most cases due to deceased and uncertain whereabouts of debtors. This list is on file with Clerk of the Board of Supervisor's.

Discharge of accountability is a routine element of annual financial accounting and is legally provided for under 2923 of the California Revenue and Taxation Code. The code states that if the amount owing is such as not to justify the cost of collection or collection enforcement is impracticable, discharge is allowable. A discharge of accountability facilitates a more accurate reflection of current collectable accounts in financial statements and records. The discharge does not relieve the debtor of any liability and the Tax Collector is not prevented from pursuing collection or accepting payment.

Fiscal Impact:

There may be minor savings attributed to eliminating the maintenance of old collection records on a current basis. As stated above a discharge of accountability does not impair collection or acceptance of payment.

Respectfully submitted,

Jenine Windeshausen
Treasurer-Tax Collector

Whereas, Section 2923 of the Revenue and Taxation code provides for a discharge of accountability if the amount is such as not to justify the cost of collection or collection enforcement is impracticable.

Whereas, a listing of those having failed to pay unsecured property taxes and penalties in the aggregate sum of approximately \$246,000.00, for the tax years 1996 through 2000 is maintained in the records of the Treasurer-Tax Collector.

Whereas, such discharge does not release the persons named from the payment of any amounts which are due and owing, and the estimated cost for collection is in excess of the amounts owing or collection is impracticable due to deceased or other inability to contact the debtor.

BE IT RESOLVED, in accordance with the provisions of Section 2923 of the California Revenue and Taxation Code, the Tax Collector is granted a discharge of accountability pursuant to the attached list.
