

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: September 9, 2008

FROM: <sup>XD</sup> KEN GREHM/KEVIN ORDWAY

SUBJECT: DOUGLAS BLVD. SIDEWALK IMPROVEMENT PROJECT – CONSTRUCTION  
CONTRACT NO. 1056

---

## ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution approving the project plans and specifications, authorize the Chairman of the Board to sign the plan's cover sheet and allow the Department of Public Works to advertise for bids for Douglas Blvd. Sidewalk Improvement Project. The estimated construction cost for this project is \$837,100.

## BACKGROUND / SUMMARY

The Department of Public Works (DPW) is proposing to construct new sidewalks and landscaping along Douglas Boulevard to facilitate and promote pedestrian traffic along the corridor and provide continuity between existing sidewalks. Landscaping will be incorporated into the undeveloped easements to provide a pleasant visual and inviting appearance. The areas for improvement represent parcels of developed and undeveloped land parallel to the northern side of the Douglas Boulevard corridor between Sierra College Blvd and Auburn-Folsom Rd.

The current project schedule is to begin construction in late fall/early winter of 2008/09 contingent upon Caltrans allocation of federal Congestion Mitigation Air Quality (CMAQ) funds in the new Federal fiscal year 2008/09. An estimated 80 day construction period is expected to complete the project.

## ENVIRONMENTAL

California Environmental Quality Act (CEQA) Notice of Exception was posted February 15, 2008 by the State Clearinghouse and cleared for Categorical Exemption Section 15301 – Class 1(c). The National Environmental Policy Act (NEPA) Determination was approved on June 09, 2008 as a Categorical Exclusion for the project.

## FISCAL IMPACT

The total construction cost for the Douglas Blvd. Sidewalk Improvement Project is estimated to be \$837,100. The funding for this project will be provided by CMAQ, with a local Road Fund match of approx. \$100,000. Funding for the project is included in the 2008/2009 Fiscal Year Budget.
