Dear Supervisor Holmes,

Brenda Newsom of the Loomis Basin Chamber of Commerce suggested that I contact you.

My name is Adam Weil and I'm a senior at Del Oro High School. I'm currently in my second term as a teacher's assistant for a special education class. For my senior project, I'd like to involve the students I work with, so I'm organizing a Hot Shots Track and Field event. In spite of their many physical and cognitive challenges, I believe we can make it exciting and enjoyable for everyone. My goal is to inspire and motivate our students through a competitive, yet fun series of games and events. I plan to bring together teachers, family, and any volunteers willing to help make this day as unique as possible. In order to make it fun and efficient, appropriate supplies will be needed. The materials and costs will include t-shirts for all the kids, drinks, candy, field rental, and trophies. To assist with these basic costs, I am requesting a modest donation from the County of Placer. This would be greatly appreciated not only by me, but also by our enthusiastic participants and their families. The event will be held at Del Oro on March 29th.

I would be pleased to provide you further details or answer any questions you may have. You can call me at (916) 660-9001 or email me at [adam@accessbee.com](mailto:adam@accessbee.com). Thank you for any consideration you can give to my request.

Sincerely,

Adam Weil
