**MEMORANDUM

Date: December 10, 2013
Subject: Introduction of Ordinance to Amend Salary and Benefit Notations Related to the Health Officer

REQUESTED ACTION AND RECOMMENDATION:

Introduce an ordinance to amend Chapter 3.12.030 – Unclassified Service – Salary and Benefits Notations to include the classification of Health Officer. There is no net county cost associated with approval of this ordinance.

BACKGROUND:

At your Board's meeting on July 23, 2013, approval was given to establish the separate classification specification for the unclassified position of Health Officer. The appointment of a Public Health Officer is mandated by the California Health and Safety Code Section 101000: "Each board of supervisors shall appoint a health officer who is a county officer" with authority described by Sections 101040, 120175 and 1797.153.

While the Board's actions in July served to establish a salary grade, the modification to Chapter 3.12.030 is necessary to incorporate the Health Officer position as eligible for additional compensation given the attainment of certain Board Certifications in medical specialties.

FISCAL IMPACT:

There is no fiscal impact by amending Chapter 3.12.030 – Unclassified Service – Salary and Benefits Notations to include the job code for the position of Health Officer.
