

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS  
FROM: KEN GREHM / <sup>KD</sup> KEVIN ORDWAY

DATE: April 18, 2006

SUBJECT: **GLADDING ROAD BRIDGE REPLACEMENT PROJECT**

---

## **ACTION REQUESTED / RECOMMENDATION**

Approve a resolution authorizing the Chairman of the Board to award and execute the construction contract for the Gladding Road Bridge Replacement Project up to an amount of \$1,400,000 to the responsible low bidder and authorize the Director of Public Works to execute contract change orders up to 15% of the contract amount.

## **BACKGROUND / SUMMARY**

Public Works is proposing to replace the existing bridge on Gladding Road over Coon Creek (see attached map). The project is being completed under the Federal Highway Bridge Rehabilitation and Replacement Program (HBRR). The project will replace the existing bridge, which is deteriorating and does not meet current design standards. The replacement bridge and improved approaches will bring this bridge into compliance with current structural, geometric, and hydraulic guidelines. During construction, Gladding Road will be closed at the project site and a detour will be provided.

## **ENVIRONMENTAL**

A mitigated negative declaration was prepared in accordance with the California Environmental Quality Act (CEQA) for this project and was approved by your Board on December 2, 2003. A Notice of Determination was also completed for this project. Environmental Clearance has also been obtained through the Federal NEPA process.

## **FISCAL IMPACT**

The total construction cost for this project is estimated to be \$1,320,000. The project is funded through the Federal HBRR Program (80%) and County Traffic Mitigation Fees and Road Funds (20%). Funding for construction of the project is included in the 2005/2006 Fiscal Year Budget.
