

MEMORANDUM
COUNTY OF PLACER
PROCUREMENT DIVISION
2964 Richardson Drive
Auburn, CA 95603

TO: Honorable Board of Supervisors
FROM: David Seward, Purchasing Manager 
DATE: April 18, 2006
SUBJECT: Recommendation to Declare Vehicles as Surplus and Authorize Disposal by Public Sale

RECOMMENDATION

Declare vehicles listed on Attachment "A" as surplus and authorize sale by public auction.

BACKGROUND

Procurement has received a list of vehicles which the CEO/Office of Emergency Services and the Department of Agriculture Weights and Measures have identified as having reached the end of their useful life cycle. The complete inventory of vehicles is shown on Attachment "A". These vehicles have been declared surplus and have been removed from service.

The County has a contract with Bar None Auction of Placerville for auctioneering services. The contract requires the auctioneer to pick up the County's surplus vehicles, and sell them at their location.

Section 2.1 (i) of the Purchasing Policy requires your Board's approval of surplus declarations that exceed \$2,500.00. While some of these vehicles may not meet that threshold, certain vehicles may have a value of \$2,500.00 or more.

FISCAL IMPACT

This action will generate revenue, therefore there is no fiscal impact.
