

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: March 25, 2014

FROM: KEN GREHM/KEVIN ORDWAY

SUBJECT: ROLLINS LAKE ROAD SAFETY IMPROVEMENT PROJECT – NOTICE OF COMPLETION

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution for the Final Acceptance for the Rollins Lake Road Safety Improvement Project.
2. Authorize the Director of Public Works to execute the Notice of Completion for the Rollins Lake Road Safety Improvement Project as complete, with no net County cost.

BACKGROUND / SUMMARY

On July 23, 2013, the Board of Supervisors adopted a resolution awarding the construction contract for the Rollins Lake Road Safety Improvement Project to the lowest responsible and responsive bidder in an amount of \$549,449.00 with County Counsel and Risk Management approval. The Chair of the Board was authorized to execute the construction Contract No.1146 with Western Engineering Contractors Inc. The Notice to Proceed was issued on July 23, 2013 and acceptance of the Final Pay Estimate (Invoice) was completed on January 17, 2014.

The project was located on Rollins Lake Road between Norton Grand Road and You bet Lane, approximately 1.5 miles north of the City of Colfax. See Location Map

The project provided for safety improvements by widening the shoulders at several locations, installing new guardrail and upgrading existing guardrail, additional work also contained with the original contract included installing curve warning signs, and applying micro-surfacing to the 1.5 miles section of Rollins Lake Road. The micro-surface increased the skid resistance of the road surface. DPW also cut back a hill slope at the Rollins Lake Road and Norton Grade Road intersection to improve sight distance.

ENVIRONMENTAL

A Categorical Exemption was determined appropriate for this project by the Placer County Department of Public Works pursuant to the California Environmental Quality Act (CEQA). A Notice of Exemption was filed with the County Clerk on June 18, 2012. A Categorical Exclusion under the National Environmental Policy Act (NEPA) was approved by Caltrans on November 29, 2012.

FISCAL IMPACT

The contract was originally executed for \$549,449.00 plus \$54,944.90 contingencies. The final contract cost of \$543,351.36 has been determined by this department and has been accepted by the contractor. There was one (1) Contract Change Order issued during the project. A contract data and change order summary is attached as Exhibit A. The primary funding for this project is through the Highway Safety Improvement Program funding (\$578,500). Federal project grant funds are matched by Traffic Impact Fees and other local funds with no net county cost. Funding for the project was included in the 2012/2013 and 2013/2014 Fiscal Year Budgets.
