

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS
FROM: KEN GREHM / PETER KRAATZ

DATE: March 25, 2014

SUBJECT: SIERRA COLLEGE BLVD. AND DOUGLAS BLVD. SIDEWALK IMPROVEMENTS PROJECT, REJECT ALL BIDS AND RE-ADVERTISE

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution rejecting all bids received for the Sierra College Blvd. and Douglas Blvd. Sidewalk Improvements Project under Construction Contract No. 1168
2. Authorize the Director of Department of Public Works to re-advertise for bids under Construction Contract No. 1182. There is no net County cost.

BACKGROUND / SUMMARY

The Sierra College Blvd. and Douglas Blvd. Sidewalk Improvements Project will construct new in-fill sidewalks along Sierra College Boulevard and Douglas Boulevard to facilitate and promote pedestrian traffic along the corridor and provide continuity between existing sidewalks. The areas for improvement represent parcels of developed and undeveloped property from Annabelle Avenue to the County Line along the West side of Sierra College Boulevard and from Berg Street to Barton Road along the North side of Douglas Boulevard.

Bids were opened on March 3, 2014, and five (5) bids were received. During the course of evaluating the bids it was determined that some bidders failed to submit the necessary documents within the allotted time or submitted an irregular bid. To provide for the best bid process and since there are no time constraints, we recommend that all bids be rejected for Construction Contract Number 1168 and we re-advertise for bids under a new Construction Contract Number 1182 at a future date.

ENVIRONMENTAL

California Environmental Quality Act (CEQA) Notice of Exception was posted December 15, 2008 by the State Clearinghouse and cleared for Categorical Exemption Section 15301 – Class 1(c). The National Environmental Policy Act (NEPA) Determination was approved on August 9, 2010 as a Categorical Exclusion for the project.

FISCAL IMPACT

The total estimated construction cost for the Douglas Blvd. and Sierra College Sidewalk Improvement Project is estimated to be \$636,000. The funding for this project will be provided by Federal Congestion Mitigation and Air Quality (CMAQ) Funding, with a local Road Fund match of approx. \$90,000. Funding for the project is included in the 2013-2014 Fiscal Year Budget.
