MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION

TO: Honorable Board of Supervisors
FROM: Brett Wood, Purchasing Manager
DATE: July 8, 2014
SUBJECT: Surplus Vehicles and Miscellaneous Equipment

RECOMMENDATION
1. Declare vehicles and miscellaneous items listed on Attachment A as surplus and authorize their disposal.

BACKGROUND
The Procurement Services Division has received a list of vehicles and miscellaneous equipment which the Department of Public Works and the Sheriff's Office have identified as having reached the end of their useful life. The complete inventory is shown on Attachment A. All listed items have been removed from service by the applicable departments and divisions.

Fleet Services Division has requested the disposal of the World Wide Smog/Dyno Machine as it no longer meets the smog requirement regulations and is no longer able to be used. The 1998 & 1999 Bitelli DTV325 Patch Rollers have exceeded their life expectancy and have been deemed too costly to restore the units to operable condition. The 1995 F350 Refrigerated Truck has been deemed too costly to maintain in order to meet the Air Resource Board regulations.

Section 2.1(i) of the Purchasing Policy Manual requires your Board's approval of surplus declarations with a current value of $2,500 or more. The items on Attachment A meet this criterion.

Therefore, your Board's approval is required to proceed with declaring the vehicles and miscellaneous equipment as surplus.

FISCAL IMPACT
Surplus items generate revenue which will be used by the County for future vehicle and equipment purchases. Your Board has authorized the execution of contracts with Public Surplus and Gov Deals for on-line surplus sales. Both vendors have systems that will provide reporting on sales and allow us to monitor and manage sales to meet our policies and requirements.
