Subject: Resolution of Intention to hold a Public Hearing: Annexation of Lynch Property to County Sewer Maintenance District 3

ACTION REQUESTED:

1. Adopt a Resolution of Intention setting the time and date to hold a Public Hearing to consider the annexation of a parcel owned by Marcia T. Lynch, APN 037-111-001-000, located on Peach Drive in Horseshoe Bar area, into the boundaries of Placer County Sewer Maintenance District 3 (SMD 3) at no net County cost.

BACKGROUND: Marcia T. Lynch is requesting that the above referenced parcel, consisting of 1.17 acres located at 3882 Peach Drive in Horseshoe Bar area, be annexed into SMD 3 for the purpose of providing sewer service. The General Plan provides for a minimum lot size of 0.4 acres. A legal description and plot map are attached as part of the Resolution. A vicinity map is attached for your convenience.

A Public Hearing is required in order to annex the property into the sewer district. In accordance with Section 4896 and 4897 of the Health and Safety Code, your Board must adopt a Resolution of Intention establishing a time and date for a Public Hearing at least three weeks in advance of the Public Hearing. The attached Resolution satisfies that requirement.

ENVIRONMENTAL CLEARANCE: The annexation of individual parcels is categorically exempt from environmental review pursuant to Section 15319(b) “Annexations of Existing Facilities and Lots for Exempt Facilities” of the California Environmental Quality Act Guidelines.

FISCAL IMPACT: Placer County Code Section 13.12.260 specifies that the owners of property annexed into a sewer district or County Service Area must pay an annexation fee. The applicant will be charged the annexation fee in effect at the time they choose to make payment, based on rates contained in Section 13.12.350. The current annexation fee that applies to the subject property is $8,880.00 ($4,440 per lot x 2 potential lots as allowed under the General Plan). Furthermore, the applicant must provide a check for $350 made payable to the State Board of Equalization for the recording fee charged by that State Agency.
