Dear Supervisor Weygandt;

It has been suggested that we submit a request for funds to buy tools. We have been working in the park since it's dedication. This year alone we have put in more than 200 man hours. We have done the initial clearing of the fire road and will finish the clearing on the new falls trail soon.

We are interested in becoming more independent and productive. Staff agrees that hand tools such as rakes, loppers, and a pole saw, as well as a phone, that will work at the park, would be appropriate and will help accomplish these goals.

Therefore I formally request \$600 for this purpose. Our Tax I D Number is 68-04291298

Clark Smith, Coordinator of the volunteer trail crew.
