NUEVO CAMINO

Our Mission:

To reach out to all at-risk youth, their families and our community with educational services, prevention and intervention programs, recreational activities, and resource opportunities that support a healthy and positive lifestyle for current and future generations.

BREAKING THE CYCLE

REDIRECTING OUR YOUTH

WHO WE SERVE:

We serve at-risk youth, their families, city and county agencies in the County of Placer.

HOW WE SERVE:

For parents and concerned family members we provide gang awareness education and community resources for youth. We assist parents and act as a liaison with the school district, police department, and other community groups to address gang involvement and at-risk behaviors. For the individual youth we assess their needs and interests to provide them opportunities in school, organized sports and other productive recreational activities. Diversion training is offered which includes teaching positive life skills and moral reasoning.

VISION:

ReDirect promotes honesty, integrity and accountability by encouraging our youth to hold themselves and their peers to the highest standards.

Some of our programs:

- Futsal soccer for boys and girls
- Outreach Services
- Social skills/Diversion training
- Gang awareness education for parents
- Lincoln Youth Center
- Mentor /Tutor program
- Independent Study Program
