

MEMORANDUM
BOARD OF SUPERVISORS
County of Placer

TO: Board of Supervisors
FROM: Teri Ivaldi, Chief of Staff
SUBJECT: COMMITTEE AND COMMISSIONS – Board of Supervisors appointment to the Roseville Oversight Board

DATE: June 13, 2017

ACTION REQUESTED

Approve appointment of Dave Defanti, Deputy County Executive Officer as the Board of Supervisor representative on the Roseville Oversight Board for the Successor Agency of the former Redevelopment Agency.

BACKGROUND

In February 2012, the adoption of the Dissolution Act (Health & Safety Code Section 34179) and the California Supreme Court decision in California Redevelopment Association v. Matosantos resulted in redevelopment agencies statewide ceasing to exist to redirect funding that was previously dedicated for local infrastructure, housing and economic development projects fostered through local Redevelopment Agencies. The former Redevelopment Agencies' mission was to address substandard commercial development, improve inadequate infrastructure, support new development, increase and improve the supply of affordable housing, and provide for the ability to assemble and sell property for both public and private development. The legislation replaced each redevelopment agency with a Successor Agency to the former Redevelopment Agency with the mission to assume responsibility of paying recognized obligations and making recommendations for the disposition of all properties and assets acquired through the former Redevelopment Agency. The legislation also created an Oversight Board for each Successor Agency. Each jurisdiction that has a Successor Agency was required to convene an Oversight Board. The general role of the Oversight Board is to oversee the Successor Agency's activities while all indebtedness is being resolved and all assets transferred or distributed.

The composition of the current Oversight Boards are set out in California Health and Safety Code Section 34179, with two members of each oversight board appointed by the Board of Supervisors. In March, 2012, the Board made its appointments to the various Oversight Boards in the county, and Jack Duran was appointed to serve on the Oversight Board for the Successor Agency of the former City of Roseville Redevelopment Agency. By this action, the Board would replace its previous appointment with Dave Defanti of the County Executive Office.
