MEMORANDUM

Placer County
Board of Supervisors

TO: Honorable Board of Supervisors

FROM: David Boesch, County Executive Officer
by John McEldowney, Program Manager, Office of Emergency Services

DATE: August 26, 2014

SUBJECT: Amendment to Placer County Code Section 2.88.060 Director and Assistant Director of Emergency Services – Powers and Duties

ACTION REQUESTED

Adopt an ordinance amending Placer County Code section 2.88.060 regarding the powers and duties for the Director and Assistant Director of Emergency Services to change the frequency of review by the Board of Supervisors from 14 days to 30 days during locally proclaimed emergencies to align with the revised state review timeframe.

BACKGROUND

When there is a condition of extreme peril or potential peril to the safety of persons and property, and the condition is beyond the capability of the local forces to control effectively, the local governing body (city council, board of supervisors or a person authorized by ordinance) may proclaim that a local emergency exists. A local emergency may be proclaimed to exist due to a specific situation, such as flood, fire, storm, earthquake, epidemic, drought, sudden and severe energy shortage, or other condition.

The current California Law for Government Code, Title 2, Government of the State of California, Division 1 General, Chapter 7, Section 8630, Article 14 for Local Emergencies was changed to reflect the following statement;

- (a) A local emergency may be proclaimed only by the governing body of a city, county, or city and county, or by an official designated by ordinance adopted by that governing body.*
- (b) Whenever a local emergency is proclaimed by an official designated by ordinance, the local emergency shall not remain in effect for a period in excess of seven days unless it has been ratified by the governing body.*
- (c) The governing body shall review the need for continuing the local emergency at least once every 30 days until the governing body terminates the local emergency.*
- (d) The governing body shall proclaim the termination of the local emergency at the earliest possible date that conditions warrant.*

This action will align the County Board of Supervisors reviewing requirements with the current State Government Code.

FISCAL IMPACT

There is no fiscal impact as a result of this action.
