Subject: Ordinance Amending the Placer County Code to Include Sewer Maintenance District 3 and the Dry Creek Sewer County Service Area under City of Roseville Sewer Regulations

ACTION REQUESTED:

1. Adopt an Ordinance amending Placer County Code Sections 13.12.240 (H) "Charges", and 13.12.410 (A) "Applicability of City of Roseville Sewer Regulations" to include Sewer Maintenance District 3 (Horseshoe Bar) and the Dry Creek Sewer County Service Area at no net County cost.

BACKGROUND: Sewer Maintenance District (SMD) 3 provides sewer service to approximately 615 equivalent dwelling units in the Horseshoe Bar area. In April 2013, your Board awarded the construction bid for the SMD 3 Regional Sewer Project (Project) which includes construction of a pump station at the existing SMD 3 treatment plant site, and installation of a regional pipeline that will convey flows to the City of Roseville for treatment at its regional wastewater treatment plants (Regional Facilities). The Project is under construction and scheduled to be operational by November 2014.

Our agreements with the South Placer Wastewater Authority require the County to adopt Roseville's regulations regarding sewer usage for those districts utilizing the Regional Facilities. With completion of the Project, it is necessary to revise the districts listed in the Placer County Code subject to Roseville's regulations to include SMD 3. Additionally, County Service Area No. 28, Zone 173 – Dry Creek, currently flows to Roseville, but was previously inadvertently omitted from the listed sewer districts. The attached Ordinance amends the Placer County Code to include both districts. The attached Ordinance also deletes an erroneous reference to Roseville City Code Section 14.16.200 which deals with maintenance and operations fees.

ENVIRONMENTAL CLEARANCE: The above action is not a project as defined in the California Environmental Quality Act.

FISCAL IMPACT: Amending the Ordinance to include SMD 3 and the Dry Creek County Service Area under Roseville's sewer regulations will have no net County cost.
