

**MEMORANDUM  
DEPARTMENT OF FACILITY SERVICES  
COUNTY OF PLACER**

To: **BOARD OF SUPERVISORS**

Date: **APRIL 3, 2007**

From: **JAMES DURFEE / WILL DICKINSON** *W.D.*

Subject: **AGREEMENT WITH SCS FIELD SERVICES FOR LANDFILL GAS SYSTEM  
OPERATION AND MAINTENANCE**

**ACTION REQUESTED / RECOMMENDATION:** Approve an Agreement with SCS Field Services (SCS-FS) for the operation and maintenance (O&M) of the landfill gas (LFG) systems at the Meadow Vista, Loomis, and Eastern Regional Landfills for an amount not to exceed \$166,080 and authorize the Chairman to execute same.

**BACKGROUND:** The County installed LFG collection and flaring systems at the Meadow Vista, Loomis and Eastern Regional landfills when each of the three sites were closed. For several years the County has contracted with SCS-FS for ongoing O&M services at the County's landfill sites. In 2006, the County requested proposals for O&M services at the closed sites from the list of approved consultants. The SCS-FS cost proposal was significantly lower than the other firms, and they have provided a very good level of service at the County's landfill sites.

The services provided under the proposed Agreement include routine monthly monitoring and balancing of the system, emergency repairs and non-routine repairs at the three sites. SCS-FS will also complete system improvements at Eastern Regional Landfill and Loomis Landfill and perform a surface emission evaluation at the Eastern Regional Landfill. This Agreement is available for review at the Clerk of the Board's Office.

**ENVIRONMENTAL CLEARANCE:** The Board of Supervisors approved Negative Declarations for the Loomis and Meadow Vista Closure plans and issued Notices of Determination on May 9, 1996 and June 29, 1995, respectively. An Environmental Impact Report was prepared for the Closure Plan for the Eastern Regional Landfill, and a Notice of Determination was filed on May 17, 1994. These environmental documents addressed operation and maintenance of the LFG extraction systems. No further environmental review is necessary.

**FISCAL IMPACT:** The cost of services is \$166,080. This is an anticipated cost; funding for these services is included in the FY 2006/07 Budget: 0450-Solid Waste Management (\$92,555) and 0289-Eastern Regional Landfill (\$73,525).
