

replace an old toilet, tear out your lawn, and get paid to do it!

The California Department of Water Resources (DWR) is overseeing the “turf and toilet” rebate program, financed by the Proposition 1 water bond approved by voters in 2014.

Californians can apply for rebates* at www.SaveOurWaterRebates.com which provide \$100 to replace one old, inefficient toilet per household with a high-efficiency toilet, and up to \$2 per square foot (up to \$2,000 per household) for tearing out turf (dead or alive).

*Restrictions apply.
