

**MEMORANDUM**  
**BOARD OF SUPERVISORS**  
County of Placer

TO: Board of Supervisors  
FROM: Teri Ivaldi, Chief of Staff  
SUBJECT: Receive an update from Ada Barros, Public Affairs Manager with Placer Mosquito and Vector Control District on vector borne diseases within Placer County.

---

**ACTION REQUESTED**

Receive an update from the Placer Mosquito and Vector Control District on vector borne diseases within Placer County.

**BACKGROUND**

The Placer Mosquito & Vector Control District works with mosquito and vector control districts throughout California, the United States Environmental Protection Agency and the State Department of Public Health to reduce pesticide risks to humans, animals and the environment, while protecting humans from mosquito and vector borne diseases and nuisances; also human exposure is monitored through testing provided by the Placer County Public Health Laboratory.

**FISCAL IMPACT**

None
