
MEMORANDUM

RONALD SCOTT OWENS
PLACER COUNTY DISTRICT ATTORNEY

To: Honorable Board of Supervisors
From: R. Scott Owens, District Attorney
Date: April 4, 2017
Subject: Annual Payment for Maintenance on Damion Case Management System

ACTION REQUESTED

Approve the annual payment to Constellation Justice Systems for maintenance of the Damion Case Management System, in the amount of \$74,673.

BACKGROUND

The District Attorney's Office has been utilizing the Damion Case Management System since April of 2005. Annual maintenance of this system is provided by Constellation Justice System, which includes 1-800 telephone support, upgrades and documentation for licensed products, as well as new and improved features and functionality. The contractor will also provide technical support when loss of service occurs. Our Office has received the annual maintenance invoice in the amount of \$74,673, for the period of April 19, 2017 through April 18, 2018.

On December 6, 2016 your Board approved a contract with New Dawn Technologies for the purchase of a new case management system. However the conversion process and implementation of this new system is estimated to take the District Attorney's Office twelve to eighteen months to complete. As such, our Office is requesting your Board's approval of this maintenance contract in the interim, until conversion to the new system has been completed.

FISCAL IMPACT

No additional funds are being requested. These funds were budgeted in the District Attorney's FY 2016-17 Final Budget.
