Agency Authorization

Dear Property Owner:

Revenue and Taxation Code Sections 408, 451, and 481 prohibit the Assessor from disclosing confidential information related to the property or business affairs of another. Revenue and Taxation Code Section 441 requires any person signing Business Property Statements as an agent on behalf of a business owner to have a letter of authorization on file with the Assessor's Office.

A property owner (assessee) may authorize a designated representative to act as their agent for all related assessment matters, inspection of assessment files, requesting copies of information pertaining to their assessment, changing mailing addresses, or signing of Business Property Statements.

For your protection, the Placer County Assessor's Office requires a fully completed Agency Authorization form signed by the owner (assessee) on file before release of any confidential information or acceptance of a Business Property Statement filing as being valid.

Agency Authorizations will remain in force and effect until such time as the Assessor's Office acknowledges receipt by certified mail of a revocation in writing, but in no event, for a period of more than four (4) years from the date of execution (signing) of the authorization.

Please complete and sign the form on the reverse. Please note that all fields of the Agency Authorization form are required to be completed. All Agency Authorizations missing any of the required information will be returned for completion before being approved.

It is important to remember that while you have the right to delegate authority to a designated representative, you will assume full responsibility for any and all actions taken by your agent on your behalf.

Completed Agency Authorization forms should be mailed, faxed, or emailed to:
