

MEDIA

Data downloads are available via Email, CD or FTP'd to your site.

FORMAT

For full county data sets, are available in CSV (comma separated values) format. The first record of each file contains the field headings.

ORDERING

You may order by e-mail or using the attached 'Request For Data' form.

PAYMENT

County statute requires receipt of payment prior to our release of the data. Currently we are only able to accept checks or cash for payment.

FILES

AsmtMaster.csv	\$900
CertifiedValues.2019.csv	(no additional charges if any of the above files have been purchased)
AsmtTracking.csv	(no additional charges if any of the above files have been purchased)
TransferHistory.csv	\$1020
PropChar.csv	\$6820

In addition, to help in deciphering the numerous codes used in the system, the following Access database with several tables containing code descriptions is included.

Codes.mdb (no additional charge if any of the above files have been purchased)

AsrCodeList	Contains codes used in most of the system
DocumentCode	Type of document in Transfer history
ExemptionCode	Type of exemption codes
LandUse	Type of Land Use Codes, also known as use code
Mapbook	Describes the meaning of the first 3 digits of the assessment number for numbers greater than "800".
TaxabilityCode	Indicates whether the assessment will go to the Taxroll or not. Also shows whether there is a business (ending in 1) or is on Prop8 (starting with 8).

Property System File Downloads

FILE LAYOUTS

The first record of each file consists of the field names for that file. Importing these files into Access or Excel with the "First record contains field headings" box checked is advised.
