RECOMMENDATION
Adopt the attached resolution calling the June 5, 2012 Presidential Primary Election and authorizing the Placer County Clerk-Recorder-Registrar of Voters to render election services for certain special district, school district and city elections that are requested to be combined with the June 5, 2012 election.

BACKGROUND
Pursuant to federal and state law and the Placer County charter, certain federal, state, and county elections are to be conducted by this office on the first Tuesday in June each even-numbered year. Election Code Section 10002 and Education Code Section 5303 also provide that city, special district and school governing bodies may request the Board of Supervisors to order their elections and permit the County Clerk to render necessary election services to said bodies on a reimbursable basis. For the County Clerk to perform the functions pursuant to Election Code Section 10002 and Education Code Section 5303, approval of your Board is required, and a resolution ordering the June 3, 2012 election, including the requested city and district elections, is attached.

Please see attached 'Exhibit A' for a list of jurisdictions seeking election and requested ballot measures.

FISCAL IMPACT
Requesting jurisdictions will pay for their costs for these special elections based on the approved fee schedule for election services. Appropriations for costs necessary for conducting the elections for federal, state, and countywide offices on June 5, 2012 have been included in the current FY 2011-12 Budget for the County Elections Office.
