

**MEMORANDUM
COUNTY OF PLACER
ADMINISTRATIVE SERVICES DEPARTMENT
PROCUREMENT DIVISION**

TO: Honorable Board of Supervisors
FROM: Brett Wood, Purchasing Manager
DATE: March 13, 2012
SUBJECT: Recommendation to Extend Qualified List for Four Separate Levels of Information Technology Support Services, as the Result of Competitive Request for Qualifications No. 9764

ACTION REQUESTED

Approve a one-year extension of a Qualified List for Four Separate Levels of Information Technology (IT) Support Services, as the result of competitive Request for Qualifications (RFQ) No. 9764.

BACKGROUND

On March 8, 2011, your Board approved the one-year extension of Qualified List No. 9764, as a result of competitive RFQ No. 9764, for IT Support Services. As the result, four separate Qualified Lists for four categories of service were extended for the period of May 1, 2011 through April 30, 2012. The Qualified Lists showing the approved firms are attached.

The four levels of technical support services identified in the RFQ include Level I: standalone computers; Level II: network-attached computers; Level III: trouble shooting of more complex network-related computer problems; and Level IV: implementation and support of complex local area networks and wide area networks. These services will be requested on an as-needed basis by County departments to provide additional technical support for special projects or for technical expertise that the County may lack among its own IT staff.

RFQ No. 9764 contained an option for the County to extend the Lists for two additional one-year periods. Based on the positive response from Administrative Services, IT Division, Procurement Services recommends that the second renewal option be exercised, extending the IT Qualified Lists through April 30, 2013.

FISCAL IMPACT

There is no immediate fiscal impact resulting from this action. Individual contracts will be negotiated with one or more firms as needed, and the resulting expenditures will be funded from existing budgets or project funds, as appropriate. Contracts of \$50,000.00 or less may be executed by the Purchasing Manager. Contracts greater than \$50,000.00 will require your Board's approval.
