

MEMORANDUM
PUBLIC WORKS AND FACILITIES
ENVIRONMENTAL ENGINEERING DIVISION
County of Placer

TO: Board of Supervisors DATE: July 12, 2016
FROM: Ken Grehm, Director of Public Works and Facilities
By: Kevin Bell, P.E., Environmental Engineering Program Manager
SUBJECT: Environmental Engineering / Public Hearing / Morgan Place / Annexation

ACTION REQUESTED

Conduct a Public Hearing and adopt a Resolution to annex the CNC Roseville LLC property (known as Morgan Place), located at the southeast corner of Walerga and PFE Roads, Roseville (APN 023-220-013-000), into the boundaries of County Service Area 28, Zone 173–Dry Creek to provide sewer service.

BACKGROUND

CNC Roseville LLC is requesting that the above referenced parcel, consisting of 12.96 acres located at the southeast corner of Walerga and PFE Roads, Roseville, be annexed into the boundaries of County Service Area 28, Zone 173–Dry Creek for the purpose of providing sewer service to the 80-lot subdivision known as Morgan Place. The proposed development density is consistent with the Placer County General Plan. A legal description and plot map are attached as part of the Resolution. A vicinity map is attached for your convenience.

In order to annex a parcel your Board must hold a Public Hearing and adopt a Resolution approving the annexation. On June 7, 2016, in accordance with Sections 4896 and 4897 of the Health and Safety Code, your Board adopted Resolution of Intention 2016-103 establishing a time and date for a Public Hearing. The Public Hearing for the proposed annexation was advertised in the Roseville Press Tribune and posted in six locations pursuant to Government Code section 6061.

ENVIRONMENTAL CLEARANCE

On May 25, 2006 the Placer County Planning Commission adopted the Final Environmental Impact Report for the development of the subject property. The FEIR contemplates that sewer services are provided by the County, who will be responsible for operations and maintenance of the sewer infrastructure within the development. Therefore, no further environmental review is necessary.

FISCAL IMPACT

Placer County Code Section 13.12.260 does not specify annexation fees for CSA 173. An Amended Reimbursement Agreement (Amended Agreement) with the Dry Creek-West Placer CFD #1 property owners for construction of sewer facilities requires payment of a reimbursement fee by properties that did not participate in the Amended Agreement. The cost per Equivalent Dwelling Unit (EDU) as delineated in the Amended Agreement is \$2,723/EDU. This calculates to a total reimbursement payment of \$217,840 (\$2,723/EDUs x 80 proposed EDUs). Placer County will disburse this fee to the Dry Creek-West Placer CFD #1 property owners as required by the Amended Agreement.
