Funding is available as a budgeted net county cost in Lake Tahoe Tourism and Promotions, and Community and Agency Support.

BACKGROUND
The NTBA was originally established to provide support for local business marketing. Today, the NTBA has expanded its role and now works closely with the North Lake Tahoe Resort Association (NLTRA) and other organizations, agencies, and the County of Placer to implement the national Main Street Program of community and business development, create and implement events and activities that promote the social and economic well-being of the area. Since 2011, the association has increased membership dramatically and now serves over 200 members. The NTBA marshalled support of property owners and the business community behind the successful passing of the Benefit Assessment District in 2013. Subsequently, they coordinated the development and implementation of a Business Mitigation Strategy/Open for Business Marketing Campaign to assist businesses to sustain business levels during the Kings Beach Commercial Core Improvement Project (KBCCIP).

In the upcoming year, the NTBA will continue to support the implementation of the Main Street Program, focus on business revitalization, and economic and community vitality. This includes: advocating for businesses' sustainability and expansion, providing a single powerful voice for the business community, and connecting businesses to resources and information. NTBA will continue to stage events, promotions and marketing that attract visitors and build awareness of North Lake Tahoe communities and amenities. Finally, NTBA will leverage Community Marketing Partner Funding, and work with the community to enhance the aesthetics created through the KBCCIP, including Tahoe Public Art.

FISCAL IMPACT
The funds to cover the $85,000 contract amount are included in the FY 2016-17 requested budget of Lake Tahoe Tourism and Promotions $65,000 base plus $10,000 special event development, and $10,000 Community and Agency Support as a budgeted net County cost.

Main Street Implementation

- NTBA has been successful at partnering with Placer County to implement the Main Street Four Point Approach in the District between Carnelian Bay and Crystal Bay since 2004.
- During this time, NTBA has followed the Main Street Approach and worked with property and business owners, along with concerned citizens, to have more involvement and control of their community's future with the goal of strengthening existing businesses and creating opportunities for business expansion and new start-ups to develop.
- NTBA believes the Main Street Approach philosophy is that it takes a village to have a vibrant and thriving economy and as such, NTBA does its best to involve business and community members in all aspects of its organization. This is done through ongoing and regular outreach to members, reminders to members encouraging them to attend NTBA Board and Committee meetings and encouraging them to serve on Board and committees, invitations to member open houses, and through NTBA's Networking & Referral Group.
- Since 2004 by following the Main Street Approach, NTBA has leveraged Placer County's investment through thousands of volunteer hours, tens of thousands of dollars raised from external sources, and has increased its organizational capacity, membership, productivity and positive impact.
- NTBA organizes it work into four Main Street Approach categories:
  1) Economic + Community Vitality
  2) Events, Promotions + Marketing
  3) Community Design
  4) Administrative + Organizational Capacity
- NTBA is run by a 3-person staff and a Board of Directors, which is made up of 12 volunteers representing all four NTBA’s District communities and multiple business industries and two regional partners (NLTRA and TNT/TMA). NTBA's Board of Directors provides valuable strategic and fiduciary planning and decision making for the organization. NTBA Board of Directors meets monthly excluding July and the officers of the Board, the Executive Committee, meet monthly as well. Board meeting minutes are available upon request.
- Additionally, NTBA interacts regularly with and gathers input and strategic planning and recommendations from three NTBA Main Street Committees.
Each of these committees consist of at least one staff member, 4-7 volunteers and Board Member(s), each with area knowledge and expertise, across as broad business industries as possible. NTBA's Main Street Committees meet monthly (excluding July and December) and meeting agendas are provided prior to each meeting. NTBA's current Main Street Committees are as follows:

1) Economic + Community Vitality
2) Promotions + Marketing
3) Community Design

• Additionally, NTBA has three Event Committees that help to plan and provide strategic input for two of the most important special events in NTBA’s District. Special Events are one of the many ways that NTBA markets NTBA's District. 1) Music on the Beach Committee
2) Passport to Dining Committee
3) “New” Event Committee – this is a new committee that started in 2016. The purpose of the committee is to evaluate existing NTBA events and formulating recommendations to NTBA Board of Directors by end of 2017 for possible existing event changes to free up capacity for a possible new event in 2018 or later
