

**MEMORANDUM**

**DEPARTMENT OF PUBLIC WORKS**

County of Placer

TO: BOARD OF SUPERVISORS

DATE: July 24, 2012

FROM: KEN GREHM / PETER KRAATZ

SUBJECT: **AWARD OF CONTRACT NO. 1102 FOR HOMEWOOD WATER QUALITY IMPROVEMENT PROJECT, PHASE 1 AND PHASE 1A**

**ACTION REQUESTED / RECOMMENDATION**

Adopt a Resolution awarding, with County Counsel and Risk Management's review and approval, Contract No. 1102 to the low bidder, Burdick Excavating Co., Inc., in the amount of \$991,320 for construction of the Homewood Water Quality Improvement Project - Phase 1 and Phase 1A, authorizing the Chair to execute the construction contract on behalf of Placer County and authorizing the Director of Public Works to approve and sign contract change orders up to \$99,132.

**BACKGROUND / SUMMARY**

The Homewood Water Quality Improvement Project - Phase 1 and Phase 1A is located on the west shore of Lake Tahoe, adjacent to the Homewood Mountain Resort. The proposed construction will improve existing roadside drainage facilities and provide treatment for storm water runoff within the project limits. Proposed improvements include revegetating the existing roadway shoulders; paving currently unpaved neighborhood streets; installation of trench drains, infiltration trenches, and culverts to convey storm water runoff; and installation of sediment removal structures to provide treatment of storm water runoff.

The project is identified in the Tahoe Regional Planning Agency's Environmental Improvement Program (EIP) as Project EIP No. 725. The basis for this EIP project is to improve the quality of urban storm water runoff and protect Lake Tahoe's famed clarity. Sediment reduction, as a result of the project, will assist the County in meeting Total Maximum Daily Load (TMDL) requirements administered by the Lahontan Regional Water Quality Control Board.

Bids were opened on June 29, 2012. Four (4) bids were received. The low responsive and responsible bidder was determined to be Burdick Excavating Co., Inc., of Carson City, Nevada, with a bid of \$991,320.

**ENVIRONMENTAL**

The County prepared a Mitigated Negative Declaration (MND) pursuant to the requirements of the California Environmental Quality Act (CEQA) and the Placer County Environmental Review Ordinance. The MND (EIAQ - 3350) was approved by the Board of Supervisors on February 28, 2012.

**FISCAL IMPACT**

The total project cost is estimated to be \$1,550,000 with construction costs estimated at \$1,150,000. The project is fully funded through erosion control grants from the California Tahoe Conservancy and the United States Forest Service. Funding for the construction of this project is included in the Department's 2012-13 Fiscal Year Budget.

# MEMORANDUM

## PROCUREMENT SERVICES DIVISION

County of Placer

TO: KEN GREHM, DIRECTOR

DATE: July 9, 2012

FROM: BRETT WOOD, PURCHASING MANAGER *BW*

SUBJECT: RECOMMENDATION TO AWARD BID NO. 9294P, HOMEWOOD  
WATER QUALITY IMPROVEMENT PROJECT PHASE I AND PHASE IA,  
CONTRACT NO. 1102

---

The subject project was advertised in accordance with the Public Contract Code and plans and specifications were sold to twenty (20) prospective bidders (Attachment A). Four (4) bids were received. The submitting firms and their bids are:

1.	Burdick Excavating Company	\$991,320
2.	White Rock Construction	\$1,297,898
3.	Aspen Developers	\$1,307,848
4.	MKD Construction Inc.	\$1,474,000

If there are sufficient funds available and if the bidder's license is adequate and in good standing, Procurement Services would concur in recommending as award to Burdick Excavating Company of Carson City, Nevada, in the amount of \$991,320.
