

Placer County Air Pollution Control District's (PCAPCD) training for On-Road Dealerships participating in the Carl Moyer Program

Dealership Training Requirement

- Dealerships who choose to enter into agreement with the PCAPCD are required to have at least one person at each participating dealership location be trained on PCAPCD's On-Road Program. This presentation will count towards the training requirement. Once this training has been completed, please follow the instructions on the last slide, and email/fax to the PCAPCD. If you wish to have additional in-house training, please contact Heather Kuklo.

PCAPCD Moyer Program Basic Eligibility Requirements for Grant Applicants

- Vehicles must operate at least 75% of the time in Placer County
- On-road vehicles must be > 14,000 GVWR
- Minimum eligible project life for on-road projects is 1 year
 - This means that a replacement vehicle awarded under a PCAPCD contract must be able to operate at least one year prior to the next regulatory compliance deadline
- Refer to the Moyer Guidelines for a complete list of eligibility requirements

PCAPCD Dealership Agreement

- Dealerships are not required to enter into agreements with the PCAPCD
- Dealership agreements will be available on PCAPCD's website, in person, and via email
- Agreements clearly outline the requirements dealerships and the PCAPCD and help to clarify
- Responsibilities
- Even though agreements are not required, there are still requirements for participating dealerships

On-Road Dealership Requirements

- Must have a valid business license with the State of California for at least two years
- Must have a dealership license with the DMV for at least two years
- Each dealership location must have at least one person who has completed PCAPCD's training
- Dealership must allow CARB and the PCAPCD to inspect vehicles or audit Moyer program records

On-Road Dealership Requirements

- Dealerships play a key roll in ensuring that Moyer Program requirements for projects are met
- Dealers are required to:
 - Provide support and assistance to program participants
 - Submit requested information to the PCAPCD
 - Coordinate with PCAPCD staff to conduct inspections
 - Deliver the replacement vehicle to the dismantler within 60 days
 - And more...

Related Documents

- The following documents are important resources to understanding PCAPCD's Moyer Program related to on-road vehicle grant projects and are part of this training
 - PCAPCD Carl Moyer Policies and Procedures Manual
 - On-Road Heavy Duty & Fleet Modernization Program
 - On-Road Heavy-Duty & Fleet Modernization Application
 - On-Road Heavy-Duty & Fleet Modernization Dealership Agreement
 - On-Road Heavy-Duty & Fleet Modernization Dismantler Agreement
- The above documents can be found on PCAPCD's [website](#) and via email/mail

PCAPCD Support to Dealers

- PCAPCD commits to providing the necessary support to dealerships in order to ensure Moyer program success and an effective partnership
- PCAPCD shall work collaboratively with dealerships and provide direction when necessary
- Program updates will be posted on the PCAPCD's website
