### Workforce Education & Training (WET)

<b>Placer</b>	Workforce Education and Training (WET) Coordination and Implementation	WET	The WET Coordinator has responsibility for the coordination of all aspects of the planning and implementation phases. Accountability for ongoing key processes includes attendance at local and statewide stakeholder events; participation in regional meetings and statewide training; and coordination of all tasks related to successful implementation of WET. The funded positions provide staff and support to the WET component and enhance the mental health delivery system within Placer County. An important leadership role for the WET Coordinator is the initiation and maintenance of significant outreach and collaboration to continue to engage diverse communities in planning, implementation, and evaluation of training events.
<b>Placer</b>	Consumer & Staff Development	WET	Provides consumer, staff, and leadership development through training, e-Learning online training, and implementation of evidence-based practices.
<b>Placer</b>	Leadership Development	WET	Supports developing leadership opportunities for people within the mental health delivery system public and private staff. By joining with community leaders, leadership skills are developed in an environment of diversity and collaboration, such as through trainings and speaking engagements through Speaker's Bureau.
<b>Placer</b>	E-Learning	WET	Supports accessing e-learning course catalog and customizing courses to meet the specific, diverse needs of the community. Trainings offered will be wellness, recovery, and resiliency oriented.

<b>Placer</b>	Outreach & Enhanced Career Tracks	WET	Coordination of local, central region, and statewide workforce, education and training efforts to promote and distribute marketing information, attending speaking engagements, and job fairs to recruit and retain hard to fill positions.
<b>Placer</b>	Increased Recruitment and Retention Efforts	WET	Administration and distribution of the Mental Health Loan Assumption program, MFT Stipend program, and scholarships/reimbursement to recruit and retain hard to fill positions in Placer County PMHS.
<b>Placer</b>	Internship Programs	WET	Funding available to provide paid internships for master's levels registered interns and/or clinical supervision of registered interns.
<b>Capital Facilities &amp; Technology (CFTN)</b>			
<b>Placer</b>	EHR Enhancements and IT Upgrades	CFTN	Placer County is on track to implement enhancements to the Electronic Health Record (Avatar), including restructuring cases from episodes to programs, implementing full electronic health records through document scanning, reconfiguring our Managed Services Organization (MSO) and Authorization processes, implement an electronic data collection for records that are not in Avatar (e.g., PEI, Innovations, System Development, etc.), implement a health information exchange, and improve direct access for consumers to better align with best practices. The goal is to continue to improve consumer movement through the system, while implementing new technologies. Funding will be required for professional consultation, acquisition of commercial software applications, development of software interfaces, modifications of existing software applications, and hardware required to implement this software and strategies.
<b>Placer</b>	Adult System of Care- Expanded Medical Supports	CFTN	To improve mental health outpatient psychiatric services for consumers, ASOC will reconfigure space in the Dewitt Mental Health building(s) to expand doctor, nurse and clinical services. The building is owned by Placer County and has provided limited mental health services for the past 5 years. Doctor and nursing services to our Full Services Partnership teams who have been in the building for years will be expanded. Re-establishing clinical mental health services in addition to doctor and nursing services to our local enrollees will improve our "network adequacy" and "time and distance standards."
<b>Placer</b>	Main Street Plaza Apartments- Meta Housing	CFTN	This housing opportunity with Meta Housing Corporation and the City of Roseville will develop approximately 75 affordable housing units and street level retail. A commitment of two hundred and fifty thousand of Capital Facility funds and some additional Community and Support dollars are set aside for the project. The commitment will provide 10 one-bedroom units exclusively for MHSA. The Capital Facility dollars are to support separate office space for service providers. Construction is expected to begin in the summer of 2018, with completion estimated in FY2019-20.

Placer	Adult System of Care-Mental Health Facility Improvements	CFTN	The Cirby Hills facility of ASOC in Roseville services the Western edge (and most highly populated area) of the County with integrated services such as: county mental health services, physical health care, co-occurring substance use, mental health emergency care, crisis stabilization services, and wellness supports. Some areas of this space (e.g., waiting room, group rooms, and other gathering areas) require improvement to better meet the needs of consumers. These capital facility improvements to the County Behavioral Health service sites will improve the client flow, create a more welcoming and engaging experience, and be able to better meet service needs. Security alerts and light renovations are some of the measures required to better respond to emergent client needs and create a welcoming environment to clients and community.
<b>Innovation (INN)</b>			
Placer	MHSa Homeless Integrated Care Coordination and Evaluation (HICCE)	INN	The HICCE builds upon existing infrastructure and organizational programs to create a comprehensive network of care in Placer County to improve services to the homeless and other high-risk individuals; expands and strengthens collaboration and coordination of services across agencies and organizations to promote access, address unmet needs, and improve outcomes; and supports data sharing across diverse entities to create a safety net that meets the complex needs of persons who are homeless and/or have chronic health conditions, utilizes evaluation activities to share outcomes, identify barriers to success, and identify when the system is meeting the needs of complex individuals.
<b>Additional Programming (not listed above including SB 82 programming)</b>			
Placer	Family Mobile Crisis Team (FMCT)	SB-82	The Family Mobile Crisis Team (FMCT) program responds to children and youth's mental health and family crises in the community. The response is youth and family focused and trauma sensitive. The more immediate response in the field accelerates the capacity to address the youth and family issues, reduce trauma, and short-term follow-up and case management services can immediately begin the healing process.
Placer	School Collaboration	SB-82	PCOE has school-based mental health staff provide a continuum of integrated mental health services in eight (8) schools serving students in Transitional Kindergarten through grade twelve in Roseville City School District and Roseville Joint Union High School District. Each Wellness Center is staffed by a team consisting of a School Social Worker, a Family/Youth/Community Liaison ("Liaison" position) and existing school-based mental health professionals (e.g. school counselor, nurse, social worker, psychologist). Community and county behavioral health providers help provide services co-located at the Wellness Center. The Wellness Center is a mental health resource and provider site where students and families can access prevention, early intervention, intensive, and crisis mental health services and referrals.
