WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Placer County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, Placer County must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and
