How It Works

Placer County Crime Stoppers helps solve crimes in Placer County by offering cash rewards for information that leads to arrests in connection with serious unsolved crimes.

Anyone who has information about a crime in Placer County may call the Crime Stoppers' 24 hour, toll free number at (800) 923-8191. Their information will be taken anonymously and forwarded. Crime Stoppers never knows the caller's identity.

The caller is assigned a code number and advised to call back in 7 to 10 days to determine if he or she is eligible for a reward.

The reward amount is determined by the Crime Stoppers board of directors on the basis of the seriousness of the crime and other relevant factors.

Payments are made in cash. All contact with the caller is based solely on the assigned code number.

"Crime Stoppers is an important tool in helping us solve crimes. It allows us to do our job more effectively by providing an opportunity for people of the community to get information to use that we might not have otherwise."
