Dear Business Owner:

Having lived and worked most of my adult life in Placer County, I know how important each and every business is to the prosperity of our communities. As your Sheriff, my goal is to provide the Placer County business community with professional law enforcement and crime prevention services.

The Placer County Sheriff's Office strives to maintain an open line of communication with each business partner. We will help assess your crime prevention needs and respond when you need us. We take your concerns seriously and we will do our best to help you with the safety and security of your business.

Enclosed is our Business Support Guide which covers safety topics that may be of concern to you as a business owner. Topics include:

- Business Owner & Emergency Contact Information
- Trespassing Issues
- Crime Prevention Environmental Design
- Video Surveillance
- Vehicle Abatement
- Private Property Vehicle Towing
- Business Security Check List
- Placer Alert
- Crime Stoppers

Please take the time to review the guide, complete the Confidential Business Emergency Information form, and return it to the Sheriff's Office Dispatch Center as instructed. The guide covers many topics and answers many questions; however, if you still have questions or concerns, please don't hesitate to contact our Community Services Unit at (530) 889-6922.

Sincerely,

DEVON BELL
