Dear Tahoe Business Owner,

The deputies and staff of the Placer County Sheriff's Office in North Lake Tahoe are committed to providing high quality public service for our business owners, our community and our visitors. We live and work in a unique environment, and that brings unique challenges shared by all our community members. To serve our mission and keep our community safe, we strive to work collaboratively with our local business owners. Our goal is a family friendly experience that visitors will enjoy while helping our business owners prosper. To help us serve you better I ask that you take a few minutes and review our Business Support Guide.

This guide contains a page with Tahoe specific services and contact information should you require assistance for a variety of different situations and includes information about our Placer Alert System. The Placer Alert notification system can provide you with essential information in the event of an emergency that might impact businesses, neighborhoods or visitors. We feel it is imperative to provide timely information in the event of a critical emergency, and this system is an integral component for that purpose. You can register your cell phone, business phone or landline phone and receive notifications when emergency situations threaten our area. Once registered, your telephone contact information is used only for emergency notifications and is not share for any other purpose.

Should you have any questions about the many services we provide that may address your needs, please do not hesitate to contact any of our deputies or community services staff. The business line for our Tahoe station is 530-581-6300. For after hour and weekend, non-emergency information you can reach our dispatch center at 530-886-5375. **For emergencies, please call 911.**

You can also visit us on-line at [placer.ca.gov](http://placer.ca.gov). We also post news, information and events on our Sheriff's Facebook page and you can follow us on Twitter.

Thank you for your working with us to make our region a fantastic place to live, work and visit,

Captain Dennis Walsh  
Tahoe Station Commander
