

## VEHICLE ABATEMENT REQUEST

Property Owner/Authorized Agent:

You have informed the Code Compliance Services that a vehicle has been abandoned on your property without your express or implied permission, as described in California Vehicle Code, Section 22523, and you would like it to be removed. If this is true, please complete this form, **sign and date in the space provided below** and return to our office. Please list only one vehicle per form.

Placer County will remove, at no charge to the property owner, up to 5 passenger vehicles (1 ton or less) from a parcel. Beyond 5, cases are reviewed individually and may incur a reimbursement cost, billed at current scale. Please call our office regarding vehicles other than standard passenger cars/trucks, as the County may still be able to remove, for an additional charge.

I deny responsibility/ownership for the presence of the listed vehicle on my property. In granting permission to remove this vehicle, I relinquish any and all rights to this vehicle or parts thereof. I further agree that in the event of unavoidable damage to my property during removal I will not hold the County responsible.
