

POSTING OF COLOR-CODED PLACARDS FOR DISCLOSURE OF INSPECTION RESULTS

Placards will be issued following each inspection and will be required to be posted in a location that is visible to the public prior to entering the facility.

Green Placard: No *major violations* are observed during the inspection **or** all *major violations* observed are corrected or mitigated by the end of the inspection.

Yellow Placard: Failure to correct or mitigate any *major violation* observed during the inspection **or** Violation of a Compliance Agreement which may include:
1) Failure to correct ongoing or repeating major and minor violations.

Red Placard: Closure of the facility due to any condition that poses an imminent danger to public health and safety that cannot be corrected or mitigated during the inspection.

The placard shall be posted so as to be clearly visible to the general public and to patrons entering the food establishment. Acceptable methods of posting include the following:

- Posted in the front window of the food establishment within 5 feet of the front door.
- Posted in a display case mounted on the outside front wall of the food establishment within 5 feet of the front door.
- Posted in a location approved by the Environmental Health Division to ensure proper notice to the general public and to patrons.
