What is Open Enrollment?

Open Enrollment is a once-a-year opportunity for benefit-eligible employees to enroll in or make changes to their health plan elections. Enrollment and changes are completed in Workday. For the 2022 plan year, Open Enrollment runs from September 20, 2021, through October 15, 2021. Any elections made will go into effect January 1, 2022. Open Enrollment is the only time each year that you can change your health benefit elections. The only exception is if you experience a [qualifying life event](#), such as marriage or the birth of a child.

What Can You Do During Open Enrollment?

- Enroll in or change your medical, dental, and/or vision coverage.
- Add or remove [qualified dependents](#), including a spouse or state-registered domestic partner, to/from your health plans.
- Waive your medical coverage if you are covered by another qualifying group medical plan.
- Enroll or re-enroll in optional pre-tax savings programs such as a Dependent Care and/or Medical Reimbursement Flexible Spending Account (FSA). Per IRS policy, re-enrollment is required each year during Open Enrollment if you wish to contribute to these plans.

The County of Placer contracts with CalPERS to offer health plans. Information regarding the 2022 Health Plans can be viewed by clicking [HERE](#). Check eligibility for health plans in your specific zip code by clicking [HERE](#).

Do I Need to Make Changes During Open Enrollment?

In most cases, participation in Open Enrollment is optional. You do not need to make changes to your current health plan elections if you are satisfied with them. Your elections are considered “evergreen elections.” The IRS allows for them to roll over to the new plan year unless you elect to opt out and decline coverage. However, if you are enrolled in a [Medical Flexible Spending Account \(FSA\)](#) or [Dependent Care Flexible Spending Account](#), **you must re-enroll every year.** Enrollment must be done during Open Enrollment in order to continue participation in the following year.

Important Plan Changes for 2022

! **IMPORTANT:** Effective 1/1/2022, CalPERS' three PPO plans will transition to two (2) plans, PERS Platinum and PERS Gold. PERS Care and PERS Choice will transition to PERS Platinum and PERS Select will transition to PERS Gold. **Employees currently enrolled in PERS Choice will be administratively moved to PERS Platinum. If you do not want to be enrolled in PERS Platinum, you will need to select another benefit option.** Premium changes may vary by benefit group. All employees are encouraged to review the 2022 Premium Changes on pages 7 – 8 when assessing plan options.

Suggested Steps for Open Enrollment

If you wish to make changes to your health plan during Open Enrollment, please follow the steps below.

1. **Verify your address in Workday:** The benefit options you are offered are based on your home address, specifically your zip code. Make sure your address is current so that you are offered the correct benefit plan options. Refer to the “Edit Home Contact Information” section of the [Edit Personal Information](#) Workday Job Aide for step-by-step guidance.
2. **Prepare your dependent verification:** If you are adding dependents to your medical, dental, and/or vision plans, you must submit valid dependent verification into Workday. Dependents include your spouse or state registered domestic partner. Click on the link for a list of items that qualify as [valid dependent verification documentation](#). We strongly recommend locating any documentation that you will need (See Page 5) before getting started. You will need to photograph or scan the documentation so they can be attached in Workday when submitting your election(s).
3. **Virtual Benefit Fair** –Most CalPERS health plans provided information and resources through print and virtual formats such as videos, and live webinars. One-on-one phone and video assistance may also be available.
4. **Questions?** Contact the Placer County Human Resources Open Enrollment hotline, or the dedicated email address listed below. For additional information, visit the Placer County Human Resources Employee Benefit webpage by clicking [HERE](#) or going to <https://www.placer.ca.gov/1715/Employee-Benefit-Information>.

How to Make Changes During Open Enrollment

You may make changes to your current elections beginning **September 20, 2021, through 5:00 pm on October 15, 2021**. Changes are made by logging into [Workday](#), selecting the **Inbox**, and then the **Open Enrollment Change** task. You will be able to review your elections and any changes submitted as well as make additional changes during this period.

Your most recent selections submitted in Workday will be processed and in effect on January 1, 2022.

 **IMPORTANT:** Changes submitted in Workday require agreeing to an electronic acknowledgement and clicking “**Submit**” for changes to be processed. Do not forget these critical last steps in the process.

Qualified Life Event Changes Outside of Open Enrollment¹

Required Notification Deadlines

It is your responsibility to submit the required notification of changes in Workday. You can also complete and submit all required forms to the Human Resources Department within:

- Thirty (30) days of the qualifying life event date for all other benefit changes. Coverage becomes effective thirty (30) days following the qualifying life event date
- Sixty (60) days of the qualifying life event date for health plan changes related to a qualifying life event. Coverage will become effective the first day of the month following HR's receipt of forms
 - **Divorce:** Please contact Human Resources as soon as possible after the date the Decree is issued as a divorce. California Public Employment Retirement Law requires that you must remove your ex-spouse or registered domestic partner from your health plan. Your ex-spouse or registered domestic partner's coverage ends at midnight on the last day of the month that your marriage dissolution is final.

You may make specific changes to your benefit plans related to a qualifying life event¹, such as:

- A change in your legal marital status including marriage, divorce, death of your spouse, registering a domestic partner, or legal separation
- A change in the number of your dependents through birth, adoption, placement for adoption, or death
- Commencement or termination of employment by you, your spouse, registered domestic partner, or dependent
- A significant change in your work schedule including a reduction or increase in hours by you, your spouse, registered domestic partner, or eligible dependent
- A change in your residence
- An unpaid leave of absence by either you, your spouse, or registered domestic partner

¹The Public Employees' Medical and Hospital Care Act (PEMHCA) governs the CalPERS Health Program and is the approving authority for any life changes outside of open enrollment.

Warning: It is a violation of all benefit plan provisions and CalPERS Law to enroll, or maintain, ineligible persons as dependents. Upon discovery, coverage will be terminated back to the date of ineligibility. The employee will be held responsible to repay costs of all benefit premiums and services provided to the ineligible dependent(s).

2022 HMO Health Plan Rates

Health Maintenance Organizations (HMO) plans require choosing a Primary Care Physician (PCP) from a network of local health care providers. Most of the healthcare will be coordinated through the PCP. When specialty care is needed, generally a referral from the PCP to an in-network specialist will be required. With HMOs, the out-of-pocket cost and monthly premiums are generally lower than a Preferred Provider Organization (PPO) plan. Deductions for the 2022 plan year will begin on 11/06/2021 (Pay Period 12 - Pay Date 12/03/2021).

2022 PPO Health Plan Rates

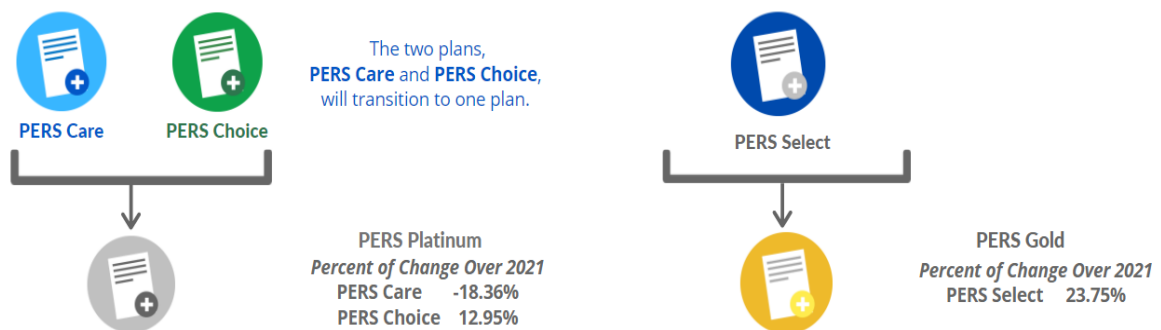

Preferred Provider Organizations (PPO) plans allow more flexibility and choices when it comes to health care options. Typically, a PPO plan offers health care through a network of health care providers. The plans allow for both in- or out-of-network doctors, specialists, or hospital visits.

In most cases, a referral is not needed. With PPO plans, typically the out-of-pocket costs are greater than an HMO plan if you see an out-of-network doctor. Also, the monthly premiums tend to be higher.

Deductions for the 2022 plan year begin on 11/06/2021 (Pay Period 12 - Pay Date 12/03/2021)

IMPORTANT: PPO PLAN CHANGES - 2022

Effective 1/1/2022, CalPERS' three PPO plans, PERS Care, PERS Choice, and PERS Select will transition to two plans, PERS Platinum and PERS Gold. PERS Care will transition to PERS Platinum and PERS Select will transition to PERS Gold. If you are currently enrolled in PERS Choice, you will be administratively moved to PERS Platinum unless you choose to make a benefit change during Open Enrollment. You are encouraged to review the 2022 Premium Changes below and the 2022 Employee Benefits Guide since premiums may vary by benefit group.

Health Opt Out Arrangement / In Lieu of Health (ILH)

Placer County provides its employees with health insurance coverage through the CalPERS Health Insurance Program. If you possess other group health plan coverage or other credible coverage you, may elect an opt out arrangement. If you opt out, you will receive an In-Lieu of Health (ILH) employer paid contribution to your 401(K) on your behalf.

If you elect to waive health coverage, you must acknowledge that you are opting out and declining coverage. Opting out includes yourself and your eligible tax dependents for the current health plan year. Further, you must also acknowledge that you and all tax dependents are enrolled in other qualifying health insurance coverage. Coverage must be deemed to be minimum essential coverage under the Affordable Care Act. This waiver is un-revocable. You will be unable to elect coverage in a CalPERS health plan until the next open enrollment period. Coverage will not be effective until the first of the following calendar year. The exception is if you experience certain life events. You have thirty (30) days within the qualifying life event date to submit documentation for dental, vision & AD&D. You have sixty (60) days within the qualifying life event date to submit documentation for medical coverage. Qualifying life events include:

- Loss of other coverage. You and your eligible dependents can enroll if you lose other coverage. This does not apply if coverage was lost due to a failure to pay premiums timely or terminated for cause.
- Experience a qualifying change in status such as marriage, divorce, a change in you or your spouse's employment status, or the spouse's open enrollment.
- Acquire a new dependent through marriage, birth, adoption, or placement for adoption.

If you opt-out and receive the County's 401(K) contribution, you cannot purchase other health insurance in the Marketplace. This includes a state exchange or through the individual insurance market.

In Lieu of Health 401K contribution amounts for 2022:

Deputy Sheriff's Association (DSA):	\$140/per pay period
Law Enforcement Management Association (LEMA):	\$140/per pay period
Placer Public Employee Organization (PPEO):	\$140/per pay period
Management/Confidential/Unclassified:	\$140/per pay period

To participate in the Health Opt Out Arrangement/ In Lieu of Health program, you will need to enroll through Workday during Open Enrollment. This is done by opening the Open Enrollment Inbox item, clicking on the "**Manage**" button under Medical, and waiving your current health plan. Then, click on "**Enroll**" under the 401(k) ILH section and choose "**Select**". You will then continue with the submission.

Note: If you are covered under a spouse's or domestic partner's group health plan, you are responsible for maintaining coverage to continue receiving ILH. Separation or a change in marital status resulting in a loss of this coverage is a qualifying life event. If you, discontinue ILH, you must submit any required forms by the deadlines on pages 4 & 5 to enroll in health insurance coverage.

Accidental Death & Dismemberment (AD&D)

Deductions for the 2022 plan year begin on 1/1/2022 (Pay Period 16 - Pay Date 01/28/2022).

Placer County provides employees with \$10,000 Accidental Death & Dismemberment (AD&D) insurance at no cost. AD&D insurance is also available to purchase for your spouse or registered domestic partner, up to age 70. Coverage amounts range from \$10,000 to \$300,000 but cannot exceed your coverage amount. For unmarried dependent children up to age 26, coverage amounts range from \$5,000 to \$25,000. One premium covers all children, but each child must be enrolled to receive coverage. An employee first obtains individual supplemental coverage of at least \$25,000 prior to enrolling a spouse and/or child in supplemental coverage.

Additional AD&D insurance coverage is available for you to purchase, up to \$500,000. The additional coverage cannot exceed 10 times your annual salary. If you select an amount that is higher than allowed, your selections will be defaulted to your annual maximum limit. If your salary decreases during the plan year, it is your responsibility to notify the Human Resources Department. This is to ensure that you continue to qualify for the AD&D amount you selected.

Note: AD&D insurance premiums shown are per pay period and are pre-tax deductions.

Cafeteria Plan (IRS Section 125)

A cafeteria plan is a reimbursement plan governed by IRS Section 125. It allows employees to contribute a specific amount of their gross income to a designated account(s) on a pre-tax basis.

Employer Cafeteria Plan Calendar Year Contribution by Employee Group (Bi-Weekly)¹

- PPEO Miscellaneous Members: 6% of the employee's base salary
- PPEO Safety Members: 5% of the employee's base salary
- Management: \$153.85
- Confidential: \$110.00
- LEMA \$153.85

¹ Percentage contributions are prorated based on actual paid hours. Changes to the plan can be made during an annual Open Enrollment or a qualifying life event. Cafeteria contributions are non-PERSable income. Placer County benefit plans operate under the IRS Code Section 125. This allows you to enroll and pay your share of costs with pre-tax dollars, known as "Premium Conversion." The health, dental, vision, and accidental death and dismemberment (AD&D) premiums are included in the Premium Conversion option. Under IRS rules, enrollment and changes to your benefit plans must be made during Open Enrollment. An exception is allowed for qualifying life events.

Placer County offers the following cafeteria plan options:

You may elect to receive the cafeteria plan amount as cash, 401(k) contribution, dependent care reimbursement or any combination thereof. Management and Confidential employees may also elect to receive reimbursement for medical expenses.

Cash Option (Default) – Selecting the cash option will allow you to receive the cafeteria plan money in your bi-weekly paycheck. This option is considered taxable income and associated payroll taxes will be deducted. If no other choice is made for cafeteria plan funds, the distribution will default to the Cash Option.

FSA Dependent Care Reimbursement – MUST RE-ENROLL EVERY YEAR. This option allows you to pay for your dependent care expenses using pre-tax dollars. Expenses, whether for a child or an adult, include any expense that allows you to work outside the home. This includes daycare services, in-home care, pre-school and summer day camps. It does not cover health related expenses.

FSA Medical Reimbursement (Management/Confidential only) – MUST RE-ENROLL EVERY YEAR. This option allows you to pay for out-of-pocket medical expenses using pre-tax dollars.

Note: Deferred Compensation (401(K) and 457) enrollment is separate from the Cafeteria Plan and not limited to Open Enrollment. Enrollment and contribution changes can be made year-round consistent with IRS rules. Should you receive an employer contribution to your cafeteria plan, the amount is gross income. You may elect to put some or all the contribution into a deferred compensation plan, up to the IRS limit, or as cash.

Dependent Care Flexible Spending Account (FSA)

Deductions for the 2022 plan year will begin on 12/18/2021 (Pay Period 15 - Pay Date 01/14/2022).

IMPORTANT: You must re-enroll each year in the Dependent Care FSA. This is done by selecting a contribution amount in Workday during the annual Open Enrollment period. You must also submit all required forms.

A Dependent Care Flexible Spending Account (FSA) allows you to set aside pre-tax dollars from your paycheck to pay for eligible expenses. For example, an eligible expense may include child or adult day care which allows you and/or your spouse to work. If divorced or legally separated, only the custodial parent can be reimbursed using the Dependent Care FSA.

- **Minimum Deposit:** \$5.00 per pay period or \$130.00 per calendar year
- **Maximum Deposit:** \$192.31 per pay period or \$5,000 per calendar year (\$2,500 if married and filing separately)

Do not overestimate your annual contribution. You must designate your annual contribution during the Open Enrollment period. This amount cannot be adjusted during the plan year unless you have a qualifying life event. If you have a qualifying life event you have thirty (30) days from the date of the event to make an enrollment or change. You will only be reimbursed for actual expenses, and any unused funds are forfeited per IRS rules.

A qualifying individual includes a child if they meet all the following criteria:

- Qualify under IRS Code Section 152(a)(1) who has not attained age 13, but generally is a child of the employee or descendent of such child who shares the same place of abode with the employee for more than half the year

- Have not provided more than one-half of their own support during the taxable year

401(k) and 457 Deferred Compensation

Placer County offers voluntary deferred compensation programs through Lincoln Financial Group including both Pre-tax and Roth after-tax contributions. The traditional pre-tax contributions provide an income tax break right away while Roth contributions provide tax advantages in the future.

Traditional Pre-tax contribution options may be right for you if:

- You expect your income taxes to be lower in retirement. You may save by lowering your taxable income now and wait to pay taxes on your savings after you retire.
- You have not prepared for retirement. Saving on a pre-tax basis allows you to save while enjoying current tax savings.

Roth contribution options may be right for you if:

- You expect your taxes to be higher in retirement. You may save by paying a lower tax rate on your savings today.
- You have many years to build your savings. You'll pay income taxes on what you contribute today, but you may not pay income taxes on the earnings. This can add up over your working years.
- Visit [IRS.gov](https://www.irs.gov) for more information about Roth contributions.

2022 Plan Year

- **Minimum Contribution:** \$10 per pay period
- **Maximum Contribution:** \$20,500 per year

Note: If you are over 50, you can contribute an additional “catch-up” amount of \$6,500 to your 401(k) and 457 plans. Your total contribution limit is \$27,000 per plan. Your maximum limit is automatically adjusted during the year you turn 50, no forms are required. IRS limits are subject to change each year.

If you receive an In Lieu of Health contribution, funds are placed in your 401(k) account. This amount will be applied along with any personal contributions you make to the plan limit.

2022 Summary of Benefits and Coverage Notice

Choosing your health plan is an important decision. To assist you with this process, each health plan available through the California Public Employees' Retirement System has produced a Summary of Benefits and Coverage (SBC). In addition, the federal government has compiled a glossary of common health insurance terms. Together, these documents provide important information to help you better understand your health benefit coverage and more easily compare health plan options.

To view the SBCs and glossary online, visit www.calpers.ca.gov on the **Plans & Rates** page¹ (subsection **Health Plans**), or visit any of the health plan websites below. To request a free paper copy of the SBC and glossary, contact each health plan directly.

Medicare Part D Notice

Important Notice from County of Placer About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. It has information about your current prescription drug coverage with County of Placer, and your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. If you are considering joining a Medicare drug plan, you should compare it with your current coverage.

Include which drugs are covered, at what cost, with the coverage and costs of the Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan. For example, an HMO or PPO that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. County of Placer has determined that the prescription drug coverage offered by the CalPERS health plans is Creditable Coverage. This means it is as good as Medicare prescription drug coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage. You will not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare. You can join each subsequent year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

Since the existing prescription drug coverage under County of Placer is creditable, you can retain your existing prescription drug coverage. Therefore, you can choose not to enroll in a Medicare Part D plan. You can enroll in a Part D plan as a supplement to, or in lieu of, your existing prescription drug coverage.

If you drop your County of Placer prescription drug coverage, you and your dependents can only get this coverage back at Open Enrollment. An exception is allowed if you experience an event that gives rise to a HIPAA Special Enrollment Right.

When Will You Pay a Higher Premium (Penalty) To Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with County of Placer and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up. The amount may be at least 1% of Medicare's base beneficiary premium per month for every month that you did not have coverage. The following is an example. If you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than Medicare's base beneficiary premium. You may have to pay this higher premium (a penalty) if you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage

Contact your Human Resources Department at the phone number and address below.

Note: You'll get this notice each year and also before the next period you can join a Medicare drug plan. You will also get it if this coverage through County of Placer changes. You may request a copy of this notice at any time.

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, please contact your health plan's member services for more information.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator.

HIPAA Notice of Special Enrollment Rights

If you decline enrollment in County of Placer's health plan for you or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in County of Placer's health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within sixty (60) days after the loss of other coverage.
- Gain a new dependent as a result of marriage, birth, adoption, or placement for adoption. You must request health plan enrollment within sixty (60) days after the marriage, birth, adoption, or placement for adoption.
- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible. You must request medical plan enrollment within sixty (60) days after the loss of such coverage.

If you request a change due to a special enrollment event within the sixty (60) day timeframe, coverage will be effective the date of birth, adoption, or placement for adoption. For all other events, coverage will be effective the first of the month following your request for enrollment. In addition, you may enroll in County of Placer's health plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within sixty (60) days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Note: If your dependent becomes eligible for a special enrollment right, you have options. You may add the dependent to your current coverage, or you may change to another health plan.

Availability of Privacy Practices Notice

We maintain the HIPAA Notice of Privacy Practices for County of Placer describing how health information about you may be used and disclosed. You may obtain a copy of the Notice of Privacy Practices by contacting County of Placer's Human Resources Department. The phone number is (530) 889-4060 and the mailing address is 145 Fulweiler Avenue, Suite 200, Auburn, CA 95603.

Notice of Choice of Providers

The health plans offered by County of Placer through CalPERS generally requires the designation of a primary care provider. You have the right to designate any primary care provider (PCP) who participates in our network. Make sure to confirm that the PCP is available to accept you or your family members. Contact your insurance carrier directly for a list of participating PCPs and information on how to select one.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the health plans offered by County of Placer or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in-network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures. This includes obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your insurance carrier directly.

Michelle's Law

The CalPERS plan may extend medical coverage for dependent children if they lose eligibility for coverage because of a medically necessary leave of absence from school. Coverage may continue for up to a year unless your child's eligibility would end earlier for another reason.

Extended coverage is available if a child's leave of absence from school — or change in school enrollment status (for example, switching from full-time to part-time status) — starts while the child has a serious illness or injury, is medically necessary and otherwise causes eligibility for student coverage under the plan to end. Written certification from the child's physician stating that the child suffers from a serious illness or injury and the leave of absence is medically necessary may be required.

If your child will lose eligibility for coverage because of a medically necessary leave of absence from school and you want his or her coverage to be extended, notify Human Resources Department as soon as the need for the leave is recognized. In addition, contact your child's health plan to see if any state laws requiring extended coverage may apply to his or her benefits.

Premium Assistance Under Medicaid and the Children's Health Insurance Program

Your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. You or your children must be eligible for Medicaid or CHIP and be eligible for health coverage from your employer. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs. However, you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial [1-877-KIDS NOW](tel:1-877-KIDS-NOW) or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call [1-866-444-EBSA \(3272\)](tel:1-866-444-EBSA).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2021. Contact your State for more information on eligibility.

ACA Disclaimer

This offer of coverage may disqualify you from receiving government subsidies for an Exchange plan, even if you choose not to enroll. To be subsidy eligible you would have to establish that this offer is unaffordable for you. This means that the required contribution for employee only coverage under our base plan exceeds 9.61% of your modified adjusted household income.
