Policy Manual

103.1 PURPOSE AND SCOPE
The manual of the Placer County District Attorney's Office is hereby established and shall be referred to as the Policy Manual or the manual. The manual is a statement of the current policies, rules and guidelines of this Investigations Unit. All members are to conform to the provisions of this manual.

All prior and existing manuals, orders and regulations that are in conflict with this manual are rescinded, except to the extent that portions of existing manuals, procedures, orders and other regulations that have not been included herein shall remain in effect, provided that they do not conflict with the provisions of this manual.

103.2 POLICY
Except where otherwise expressly stated, the provisions of this manual shall be considered as guidelines. It is recognized that the work of law enforcement is not always predictable and circumstances may arise which warrant departure from these guidelines. It is the intent of this manual to be viewed from an objective standard, taking into consideration the sound discretion entrusted to members of this Investigations Unit under the circumstances reasonably available at the time of any incident.

103.2.1 DISCLAIMER
The provisions contained in the Policy Manual are not intended to create an employment contract nor any employment rights or entitlements. The policies contained within this manual are for the internal use of the Placer County District Attorney's Office and shall not be construed to create a higher standard or duty of care for civil or criminal liability against the County, its officials or members. Violations of any provision of any policy contained within this manual shall only form the basis for Investigations Unit administrative action, training or discipline. The Placer County District Attorney's Office reserves the right to revise any policy content, in whole or in part.

103.3 AUTHORITY
The District Attorney shall be considered the ultimate authority for the content and adoption of the provisions of this manual and shall ensure compliance with all applicable federal, state and local laws. The District Attorney or the authorized designee is authorized to issue Special Orders, which shall modify those provisions of the manual to which they pertain. Special Orders shall remain in effect until such time as they may be permanently incorporated into the manual.
