DEPARTMENT OF PUBLIC WORKS
TRANSPORTATION DIVISION
County of Placer

TO: Board of Supervisors DATE: May 5, 2020
FROM: Ken Grehm, Director of Public Works
By: Rebeca Solomon, Associate Engineer
SUBJECT: Transportation / Parking Ordinance Update / County Roadways and Parking Lots

ACTION REQUESTED

Adopt and waive oral reading of an ordinance introduced on April 21, 2020, amending provisions of Chapter 10, Article 10.12 of the Placer County Code regarding parking restrictions on various County roads.

BACKGROUND

Pursuant to section 22507 of the California Vehicle Code, local authorities have the authority to prohibit or restrict the stopping, parking, or standing of vehicles on or along public roadways by ordinance. The Department of Public Works (DPW) periodically determines the need for additions to or modification of existing parking restrictions on County maintained roadways which may result in recommendations for modification to the current Parking Ordinance. The proposed ordinance modification reflects the parking restrictions that are currently defined by both signs and markings on various County roads and includes three new parking restrictions on County roadways. These new parking restrictions are as follows:

Barton Road from PM 2.12 to PM 2.18, east side of road: The roadway segment just north of the intersection was widened in preparation of the future Barton Road / Douglas Boulevard traffic signal modification and was never intended to be used as on-street parking. As staff begins to plan for the modification of the signal, the addition of this restriction is deemed necessary.

Foresthill Road from PM 5.77 to PM 5.90, north side of road: The proposed restriction is being requested in partnership with State Parks to prohibit the queuing of vehicles along the shoulder of Foresthill Road waiting to access Upper Lake Clementine.

Fortune Court from PM 0.10 to PM 0.11, north side of road: In response to a request from the adjacent property owner, County staff recommends a “passenger loading only” restriction from 9:00 a.m. to 10:30 a.m. and from 2:00 p.m. to 3:30 p.m., weekdays. This facility has routine pick-ups and drop-offs of senior citizens by bus or van. The days and times have been chosen to designate a location for the pick-up/drop-off while preserving parking for other nearby uses the rest of the time.

Restrictions outlined in Section 10.12.130 “Parking restrictions-Yankee Jim’s Road” of the Placer County Code are not consistent with what is currently being enforced by State Parks staff. State Parks prohibits overnight parking, and therefore DPW recommends codifying that restriction. In addition, DPW recommends moving the Yankee Jims Road restrictions from Section 10.12.130 into Section 10.12.120 “Limitations imposed” to provide consistency with all other County parking restrictions.

The attached ordinance corrects a typographical error to reflect an effective date thirty (30) days from the adoption date.

ENVIRONMENTAL IMPACT

This action is exempt from CEQA under Sections 15301 and 15061(b)(3) of the CEQA Guidelines.

FISCAL IMPACT

The adoption of this Ordinance will have a minor fiscal impact associated with the cost to change or install new parking signs on effected roadways. This cost is proposed to be absorbed in the Department of Public Works FY 2019-20 Final Road Maintenance Budget.

Signed and approved by me after its passage.

Chair, Board of Supervisors

Attest:

Clerk of said Board

WHEREAS, Section 10.12.120 of the Placer County Code includes parking restrictions on various County roads and in parking lots; and

WHEREAS, Section 22507 of the California Vehicle Code authorizes local authorities to prohibit or restrict the stopping, parking, or standing of vehicles on or along public roadways by adoption of an ordinance; and

WHEREAS, currently there are existing parking and restricted parking signs and markings demarcating the roadway segments where parking restrictions have been deemed appropriate; and

WHEREAS, Department of Public Works engineering staff has reviewed locations and distances for each parking restriction in the field, and recommends approval of all locations and distances for each parking restriction included in this ordinance; and

WHEREAS, the ordinance amendments herein reflect the parking restrictions currently existing and update the County Code to reflect those parking restrictions; and

WHEREAS, the ordinance amendments herein reflect the parking restrictions not currently existing and are proposed by County staff to be necessary parking restrictions; and

WHEREAS, Section 10.12.130 of the Placer County Code includes parking restrictions on Yankee Jim’s Road; and

WHEREAS, Department of Public Works engineering staff recognizes parking restrictions included in Section 10.12.130 do not accurately reflect restrictions currently being enforced on Yankee Jims Road.

NOW, THEREFORE, THE BOARD OF SUPERVISORS OF THE COUNTY OF PLACER ORDAINS AS FOLLOWS:
