On behalf of the STR owners in Eastern Placer County, we ask that the board support us financially by extending the deadline to apply and pay for the short-term rental permit to a minimum of July 31.

Hi Megan,

Thank you so much for taking the time to talk with me today. I would be grateful if you would pass this onto Cindy Gustafson for consideration at the upcoming May 5th Board of Supervisors meeting.

North Lake Tahoe Resort Association currently has an item on the agenda to ask for the extension of TOT payments and fees to July 31st. I would like to ask the board to add an extension of the Short-Term Rental (STR) permit registration deadline and payment be extended to at least July 31st as well. STR owners are unable to rent at this time and the financial loss has been great. Having to pay for the STR permit adds insult to injury since we are not even able to rent our home on a short-term basis at this time nor a known or estimated end date to this rental ban.

Kindly,

Catherine Clune

Public Comment Submission

During the COVID-19 Pandemic, Placer County is committed to public participation in County Government in a manner that is consistent with guidance provided by our Public Health Official. We have provided this form that can be used to submit comments to the Board of Supervisors

Name	Robert Wendin
Email (Optional)	
Agenda Item (Optional)	Other
Other topic	Delay of STR Permit requirement
Comments	<p>Please put on agenda for the next meeting a further delay for the STR Permit requirement. The STR market has been severely impacted by Covid-19, as of now it looks like the rental market this summer will be severely impacted and we may all face a summer of zero rental income. Having to pay for a permit with no rental income coming in will be tough for many owners. Plus with shelter in place many of us have not been able to go to our rental units to make sure we can meet all the new requirements.</p> <p>Please consider delaying the permit requirement until at least the fall.</p>

Subject: [EXTERNAL] Request to extend Short-Term Permit Deadline

Hello,

I respectfully ask that Board of Supervisors extend the deadline to apply and pay for the short-term rental permit as it applies to Eastern Placer County. I, among others, I am certain, have been impacted by the impact of the Covid-19 virus. It has impacted my family personally, as well as financially. I ask that the Board extend the deadline to apply and pay for the short-term rental permit beyond the current May 31 deadline, to at least a July 31, 2020.

We have a home in Northstar: 319 Skidder Trail, Truckee, CA

We have rented it on a short term basis, with the help of a local management company, for the past few years, in an attempt to keep this home for the third generation, and hopefully the fourth.

Thank you,
Brenda Opine
